

MATH SUPPLY CHECKLIST

Mrs. Schooler

Please obtain all items by Monday, August 18.

- 2-pocket folder with prongs
- notebook paper (lots)
- graph paper (Buy several packages now. They're harder to find later in the year.)
- pencils (lots)
- eraser
- red pen (for grading homework)
- one box of kleenex to share with the class
- calculator (optional, but strongly recommended).
 - Texas Instruments TI-30X is an excellent choice, & is on sale several places for under \$10.
You will be permitted to use it on parts of the ISTEP exam, so buy it soon.
 - If choosing a different brand, be sure it has these qualities:
 - clearly labeled as a "scientific" calculator
 - a square root key
 - at least one memory key
