

MCCSC – MCEA Tuition Credit Application For Indiana University Tuition Credits

Name	Date
Street Address	Home Phone
City, State, Zip Code	Employee I.D. Number (SSN)
Home School	Other School(s)

If the applicant is aware of the following information, please fill in the blanks. The MCCSC-MCEA Tuition Committee will use its records to gather appropriate data to determine priority credits.

Years of Experience in the MCCSC: _____

Previous IU Credits from Bank: _____

IUCEE Participation Points Earned to Date: _____

Proposed Course (if known): _____

According to the Joint Advisory Review Board (JARB) agreement between IU, the MCCSC and the MCEA, certified employees may earn points for the tuition bank through the early experience participation process. These points accumulate on the basis of one dollar and sixty-eight cents (\$1.68) per point and are divided by the cost per credit hour to determine the award to the tuition bank. No points are earned for any other program or if reports are not filed with the University. The tuition credits are then distributed twice each year by the MCCSC-MCEA Tuition Committee using the following criteria and priorities:

Criteria	Timely application (October 15 and April 15)
Priority 1	Applicant has earned participation points for the bank, but has not previously been awarded IU tuition credits. Ranking within this priority is equal to the number of points earned for the bank.
Priority 2	Applicant has not been awarded IU credit and has not earned participation points for the bank. Ranking within this priority is zero (0) for all applicants excepted stated below.
Priority 3	Applicant has earned participation points and has been awarded IU Credits. Ranking within this priority is equal to the points earned divided by tuition awarded.
Priority 4	Applicant has been awarded IU credit, but has earned no participation points for the bank. Ranking within this priority is equal to any tuition previously awarded, multiplied by a negative one (-1).
Criteria	Ties will be broken by the ranking stated above within each priority. Further ties will go to the applicant with the greater MCCSC experience. Finally, ties may be broken according to the value to the MCCSC of the proposed course work.

Please return completed application to MCCSC Administration Center, MCCSC-MCEA Tuition Committee, 315 E. North Drive, Bloomington, IN 47401.
