

TEACH Parent Expectations

We are so happy that you are choosing to enroll your child(ren) in the TEACH program. In order to offer the students the best environment for learning, we have a few expectations and rules for the participants. These rules will be listed below:

- 1) Sign your child in and out of tutoring every time you come.
- 2) If your child participates in tutoring one time a week, you are only allowed to miss two sessions of tutoring. If your child attends twice a week, you are only allowed to miss three sessions. After that, we will unfortunately have to excuse you from the program and allow other children on the waiting list in.
- 3) Help remind your child to bring his/her homework and a book to each session. It is difficult for our tutors to help them without any work to do.
- 4) Stay at the Broadview Learning Center while your child is in tutoring.
- 5) Let us know if you have any questions or concerns at any time :)
