Dear MCCSC Families,

On Tuesday, November 8, the majority of residents of Monroe County Community School Corporation voted to approve the 2022 Referendum. Our community has a long history of supporting local, public schools, including the 2010 and 2016 referenda, as well as the 2022 referendum.

We thank you for getting informed, being invested in the process and for voting. As important, we thank you for your continued support of MCCSC. Because our community invests in our schools, our schools are stronger making our community even greater.

The 2022 referendum funds will be used to raise teacher pay $4,500 per year and support staff wages by $2.25/hour, ensuring we are able to continue to recruit and retain high-quality staff for our school community. Additionally, funds will be used to support rich, educational programming in the arts and STEM (science, technology, engineering and math).

Regardless of the role you played, we take this investment by our community seriously, and we are committed to making our great schools better. In closing, you have our deepest appreciation and thanks!

Sincerely,
