

Templeton Sixth Grade Book Quest

Join the Fun! Come be a part of Book Quest! This is a year long club for sixth graders. We meet monthly to discuss great books, play games, do activities, and get to know each other better. All this leads up to a contest at the end of the year based on the books we've read.

What do I do? You form a team with two or three friends. Start in reading the books on our Book Quest read list (don't worry, they're all good!) Come to the meetings and share in conversations about the books, all while having fun with other sixth graders!

How does it work? The goal is to try and read all 20 of the books, in order to be familiar with them. However you may decide to assign books among your team instead. You want to know about the books because at the end of the year we will have a contest based on the books. Prizes go to the winning team!
