

Hungry birds	ate worms	in the garden.
Green frogs	hopped softly	in the grass.
The trains	rumble loudly	on the tracks.
Busy bees	buzz noisily	on the flowers.
The bells	were ringing	in the tower.
The boys	were swinging	at the park.
The shuttle	flew quickly	in outer space.
The student	ate cookies	at the table.
The shuttle	flew quickly	in outer space.
The man	rode swiftly	on the bicycle.
The girls	were jumping	in the puddle.
