

INTERVENTIONS FOR PHONICS
Letter Cards

Purpose:

The student will name and match letters of the alphabet.

Description:

Letter Cards

Materials:

1. Die cut upper and lowercase letters
(Save and laminate the paper after it has been sent through the die cut machine.)

Procedure/Steps:

1. Place the cut out letters on the table.
2. The student chooses a letter, names the letter, and matches it to the piece of paper that contains the cut out of the letter.

Evaluation of Effectiveness:

Compare AIMSweb Letter Naming Fluency data before and after the intervention.
