

INTERVENTIONS FOR VOCABULARY
Words that Describe: Describe a Picture

Purpose:

The student will produce words to describe a picture.

Description:

Words that describe: Describe a Picture

Materials:

1. Describe-A-Picture student sheet
2. Scissors
3. Pencil
4. Crayons

Procedure/Steps:

1. Place scissors and markers at the center. Provide the student with a student sheet.
2. The student draws and labels a picture in the center of the box.
3. Writes one descriptive word (or sentence) on the inside of each flap. Cuts out and folds.

Evaluation of Effectiveness:

Compare vocabulary data before and after the intervention.
