

MCCSC LEADS

Mission:

Empowering students to maximize their educational success to become productive, responsible global citizens.

Vision:

We envision a world-class learning community that educates tomorrow's leaders.

Core Values:

Engagement

All students can learn. We teach all students.

All students deserve rigorous, diverse curricular and extracurricular programs, integrated with technology.

Empowerment

All students are diverse and unique. When students are empowered, self-esteem grows. All students' experiences and perspectives are assets that reflect the strength of our schools and the values of our community.

Environment

All students thrive in a positive, creative, and stimulating learning and working environment.

All employees excel in a culture actively supported by professional development opportunities. Highly-trained, highly-valued teachers and staff are pivotal to the continuous improvement and success of our students.

All students deserve, and we will provide, a healthy, safe, and secure learning environment.

Overview:

Monroe County Community School Corporation **MCCSC LEADS** builds capacity of knowledgeable diverse emerging leaders who will participate, share and be immersed in the school corporation's practices and programs.

These leaders will serve as ambassadors of information in the future, as the program continues annually.
