Issue No. 1 -August 16, 2019

MCCSC Text Book and Resource Fees Information

The Textbook Rental Fee is established within the Indiana Code (IC 20-26-12). This Code has been in place for many years in the State of Indiana and requires the Governing Body of each school Corporation to purchase curricular materials and rent the materials to each student by charging appropriate fees to reimburse the costs of the materials.

Families with students in grades K-6 may see their fee schedule on the MCCSC website (www.mccsc.edu). These fees are already calculated by grade based on curriculum needs.

Students in grades 7-12 will have their fees determined based on their class schedule which they should have already received. After class schedules have been finalized, then the fees can be calculated and assessed to students.

Families with fees will be notified of their balance by September 28, 2019, with fees due to MCCSC no later than November 30, 2019. Families are asked to log in to [Skyward Family Access](#) regarding their balance, and deadlines for payment. At this time, those listed as the primary contact for their student will be the recipient of the notices. Please make sure your email address in Skyward Family Access is correct. If your email needs updated please contact your building administrative assistant. Reminders about student balances and due dates will be included in the Corporation Family Newsletter that is sent out on a weekly basis.

News & Notes

End of the Day Dismissal

If you have a change in transportation we would appreciate it if you sent a note to your teacher's child regarding transportation changes instead of calling the office. Teachers keep track of transportation routines and are with students at the end of the day when they are being dismissed. For your child's safety we want to make sure they know how they are getting home at the end of the day and this is the best way to ensure that happens.

Morning Arrival

Beginning Monday, August 26th we ask that parents walk students to no further than the front door during morning arrival. This allows your student to build independence and it helps with transition times in the morning. If you need to speak with the teacher then please contact the teacher to schedule a time. Teachers are focused on their students in the morning to ensure that their morning starts on a positive note.
