Walk-A-Thon Success

We have a very success Walk-A-Thon campaign! As of this morning - Friday, October 25th we have raised \$9,455!!! Thank you to all of our students and families for their fundraising efforts and thank you to our families, staff, and community members for their generosity! In the near future we will be using some of the proceeds to purchase Library and STEM materials. In the Spring we plan to break ground on an Interactive Outdoor Learning Lab. Thank you!!!

My Energy Kit

Along with the performance families can sign up for an energy kit at MyEnergyKit.org. For every 100 kits requested by Arlington Heights families the school will receive \$250. The kits include light bulbs and other energy saving materials.

PBIS News & Notes

This week's skill is Having a Conversation. Follow these steps to be a good communicator:

1. Look at the person
2. Use a pleasant voice.
3. Listen to what the other person says.
4. When there is a break in the conversation, ask a question or share your thoughts.

At home: Practice asking questions that need more than a "yes" or "no" answer.
