Arlington Heights Lost & Found

If your student is missing an item (coat, jacket, hat, gloves, etc.) then please encourage them to look through our Lost & Found and/or ask an adult. We also encourage parents to have a look. Soon, we will be clearing out the Lost & Found and donating items to our Health Office and/or local charities.

Eagle Express

Issue No. 17 - January 10, 2020

Intersection Construction

On Wednesday construction was completed on the intersection between Stonelake Drive and Monroe Street.

From now on drivers will not be able to make a left hand turn or drive across off of Stonelake Drive (out of Arlington Heights) or make a left hand turn or drive straight across off of North Monroe Street. Only right hand turns can be made off of both Stonelake Drive and North Monroe Street.

The only way to make a left hand turn is if you are heading West on SR 46 prior to Stonelake Drive and you get into the appropriate lane to turn left onto North Monroe Street. Or if you are heading East on SR 46 prior to North Monroe Street and you get in the appropriate lane to turn left onto Stonelake Drive.

Please plan accordingly and let me know if you have any questions.

PBIS News & Notes

Happy New Year! This second half of the school year, we will continue our journey to learn positive strategies in the classroom. Many of these strategies translate outside of the classroom. This coming week, we will review **Asking for Help**. When **Asking for Help**, we need to follow these steps:

1. Look at the person.
2. Ask the person if they have time to help you.
3. Clearly explain the kind of help that you need.
4. Thank the person for helping you.

We can all get frustrated when we need help, and we have to wait for it. It can also be tricky when we are asking for help and the person we are asking does not understand. Remember your strategies for remaining calm and managing stress. Also, know your helpers at school (all of the teachers, Mr. Heath, Mrs. Bruner, and so many more!) and in the community.
