Eagle Express

Issue No. 20 - February 7, 2020

The poster features a central white box with a blue border containing event details. Above the box is the 'GEMS' logo in large blue letters with a diamond icon, and the subtitle 'Girls in Engineering, Math, & Science' in orange. Logos for MCCSC and the Foundation are also present. The background is light blue with scientific icons like a pencil, microscope, and atom.

Join us for a morning of hands on exploration and innovation!

Saturday, March 28, 2020
8:00AM-12:30PM
Bloomington High School North

For more information and access to the online registration form, visit www.mccsc.edu/gems

PBIS News & Notes

Two valuable skills we all teach children are “Tolerating Differences” and “Showing Respect.” It helps children to get along with others and show kindness. We recently revisited “Showing Respect” as a weekly skill. Next week, we will teach and review “Tolerating Differences.”

1. Think about the similarities between you and the other person.
2. Take note of the differences.
3. Emphasize the shared interests, tastes, and activities you share.
4. Express appreciation and respect for the other person as an individual.
