### **Important Safety Update to Automated Attendance Notifications**

Beginning on Monday, April 1st, MCCSC is changing the automated notification system from an evening attendance report to a morning attendance notification to occur no later than 11:00 a.m. every day. If your child is absent from school and you have not called the attendance office to inform them of this absence, you will receive a call. This change is being implemented corporation wide to strengthen our school safety protocols and to assist us in knowing the whereabouts of your child during school hours, should they be marked absent. If your child is going to be absent from school, please notify the attendance office as soon as possible. We appreciate your patience as we transition to this new protocol. Thank you for your continued support of our enhanced safety and attendance reporting process.

### **Social Skill Week of April 15th - Focusing On Yourself**

#### Waiting Your Turn

- Sit or stand quietly
- Keep your arm and legs still
- Avoid sighing, whining, or begging
- Engage in the activity when directed to do so by an adult
- Thank the person who gave you the turn

### **End of Year Positive Behavior Celebrations**

We believe it is important to reward students for good behavior and will have many fun activities in place for students displaying good behavior. For the first three weeks in May, we will have activities such as Pie in the Face of Arlington Staff, Duct Tape Mr. Heath to the Wall, and a Bounce House for students who have not received an office behavior referral or two classroom behavior referrals for a time period prior to the scheduled celebration. Students will have a fresh start after each celebration to be able to participate in the next behavior celebration. We hope all of our students work hard to follow procedures and have good behavior so they can participate in all of the fun end of year activities!
