Career Day

We are in the process of organizing our first ever Career Day on Friday, May 17th. We have had a few people sign up with their student's teacher to present on Career Day, but are in the need of more. If you are a parent, grandparent, guardian, aunt or uncle, etc. and would like to talk about/demonstrate what your job entails with your student's class then we would greatly appreciate it. We are only asking for 10-15 minutes of your time. You can contact your student's teacher to set up a time.

End of Year Positive Behavior Celebrations

We believe it is important to reward students for good behavior and will have many fun activities in place for students displaying good behavior. For the first three weeks in May, we will have activities such as Pie in the Face of Arlington Staff, Duct Tape Mr. Heath to the Wall, and a Bounce House for students who have not received an office behavior referral or two classroom behavior referrals for a time period prior to the scheduled celebration. Students will have a fresh start after each celebration to be able to participate in the next behavior celebration. We hope all of our students work hard to follow procedures and have good behavior so they can participate in all of the fun end of year activities!
