Career Day

We are in the process of organizing our first ever Career Day on Friday, May 17th. We have had a few people sign up with their student's teacher to present on Career Day, but are in the need of more. If you are a parent, grandparent, guardian, aunt or uncle, etc. and would like to talk about/demonstrate what your job entails with your student's class then we would greatly appreciate it. We are only asking for 10-15 minutes of your time. You can contact your student's teacher to set up a time.

Positive Behavior Celebrations

The majority of our students do a great job of following procedures and being respectful, kind, and responsible. We feel it is important to recognize and celebrate good behavior. In the past few weeks, students have had the opportunity to get their name drawn to put a pie in the face of a staff member and to duct tape Mr. Heath to the wall. Next Wednesday, students who have not received a behavior referral from May 9-May 15 (5 school days) will be invited to an inflatable party with a bounce house and other activities. We are looking forward to celebrating with our students who have shown great behavior as our school year winds down.

The social skill for the week of May 13th is:

Dealing With Being Left Out

- Identify that you have been left out or excluded
- Remain calm
- Find another activity to do or an adult to talk to
- Discuss your feelings with those who left you out. Remember to give and accept criticism appropriately

Below is an article for parents with ideas to consider if your child feels left out or excluded.
