End of the Day Dismissal

If you have a change in transportation we would appreciate it if you sent a note to your teacher's child regarding transportation changes instead of calling the office. Teachers keep track of transportation routines and are with students at the end of the day when they are being dismissed. For your child's safety we want to make sure they know how they are getting home at the end of the day and this is the best way to ensure that happens.

PBIS News & Notes

Accepting criticism or a consequence is not easy, and it all depends on our reaction. That is the skill AHE will be focusing on next week. We can use criticism and consequences positively or negatively. Our goal at Arlington Heights is to grow a growth mindset. When we look at how we can use the mistake to improve ourselves, we grow and learn.

Accepting Criticism or a Consequence

- 1. Look at the person.**
- 2. Say "Okay".**
- 3. Stay calm.**

At home: Share a time you accepted criticism or a consequence that was not easy. Why was it important to stay calm? How did it help you grow and learn?
