Energy Conservation Program

Next week, students will have the opportunity to attend the play, "**Showdown at the Resource Ranch**" sponsored by Duke Energy that focuses on energy conservation. Through the program, families can request a free energy kit that contains items to save energy at home. If 100 families at our school request the free kit, we will automatically win \$250.00. Families can request the kit by going to the website: MyEnergyKit.org, calling 1-855-386, or completing and mailing the pre-paid post card included in the parent brochure that students are bringing home. We hope to win the \$250.00, so please request your free energy kit!
