Issue No. 9 - October 26, 2018

Fall Extracurricular Clubs

The first day of Fall Clubs will be Monday, November 29th. Clubs run from 4:00-5:30 PM. If you are picking up a student(s) then please park in one of the parking lots, enter through the front doors, and sign your student out via the table outside of the gymnasium. Everyone should have their ID available if needed when picking up a student.

Club Snacks

With clubs starting next week we are in need of snacks. Items that work best are individually wrapped/packaged such as granola bars, fruit snacks, or individual bags of Gold Fish. We are also in need of cases of water. Thank you in advance!!

Energy Conservation Program

Next week, students will have the opportunity to attend the play, "**Showdown at the Resource Ranch**" sponsored by Duke Energy that focuses on energy conservation. Through the program, families can request a free energy kit that contains items to save energy at home. If 100 families at our school request the free kit, we will automatically win \$250.00. Families can request the kit by going to the website: MyEnergyKit.org, calling 1-855-386, or completing and mailing the pre-paid post card included in the parent brochure that students are bringing home. We hope to win the \$250.00, so please request your free energy kit!

Social Skill - Week of October 29

Listening

- Look at the person who is talking and remain quiet
- Wait until the person is through talking before you speak
- Show that you heard the person by nodding your head and saying, "Okay"
