Internet Connectivity

Drive-Thru WiFi Access

Daily from 9:00 a.m. - 3:00 p.m., drive-thru WiFi will be available for any MCCSC student to visit one of two outdoor locations for downloading course materials to their school device. Students and parents are asked to access materials for download to the device and not remain on the property for extended amounts of time. Student connections will work identically to their daily connection in a school building with the only difference being the outdoor location.

Bloomington North: Hoosier Hills parking lot south of the Bloomington North Softball Field.

Bloomington South: Northeast parking lot facing Bloomington South Softball Field.

Discounted Home Internet Access

Some local service providers also offer discounted Internet rate plans for families who are eligible for public assistance programs such as the National School Lunch Program, Housing Assistance, Medicaid, SNAP, or SSI.
