RAZ-Kids

- RAZ-Kids.com offers a huge number of online books for students from Kindergarten to 6th grade.
- Our students K-4 have access to this program.
- This site allows students to read, listen to reading, and take a short quiz over each book.
- They earn points by answering grade level appropriate questions over the book.
- Earning points for correct answers is an incentive. With these points they can build their own robot!
- You will need to download the free app.
- Student username and passwords are available from your child's teacher.

Newsela.com

- If your child is interested in reading about current events, this might be the site for you.
 - Anyone can go to the newsela.com website and sign up for free.
 - As a parent, you could look at current event articles and choose one to read with your child. This is a great way to have a discussion about current events.
 - There is also a short quiz available after reading.
 - Each article has a choice of reading lexile levels. Choose from the four options offered to the right of the article once you have chosen.
- 

Hoosier Family Reader

- This is a free website that offers over 5,000 ebooks for students.
- If offer many categories of books, and includes books read in both English and Spanish.
- Available through the MCCSC website.
 - Go to mccsc.edu, Student tab, Resources, **MyOn icon**
 - Student username: Read Password: Read

Standard Student Login/Password

- Standard student login is the first 5 letters of their last name, 3 letters of their first name, and a number.

Example: Susie Smith smithsus0

- The standard student password is the child's lunch money number.
- If your child doesn't have this information, you child's teacher send it to you.
