## Camp Information/Itinerary

### Hitting/Fielding Camp 10:30am-11:30

Participants will be taken through a high school style practice every day that the camp is in session. The camp will be designed like a 4-day itinerary we would follow on the high school level. Participants will receive instruction in:

- Hitting and hitting progression
- Hitting drills and self-coaching tips
- Fielding fundamentals and technique (PFP)
- Situational fielding
- Base running fundamentals and technique

### Pitching/Catching Camp 11:30-Noon

Participants in the **pitching** camp will get instruction on the mechanical aspects of pitching and strengthening arms through throwing. We will take the players through a 5-day pitching schedule just like our pitchers would at the high school level. We will also practice pitching from a defensive standpoint by taking them through our Pitching Fielding Practice.

Participants in the **catching camp** will get instruction on the fundamentals of catching: signal calling, stance, footwork, throwing, and defense. Catchers will work with the pitchers from time to time during the camp to get game-like practice.
