How to Use

Additional Items Needed: spring style (also known as pinch type) clothes - at least 1 per student; extras are always a good idea in case one breaks

Directions:
1. Print and laminate enough cards for each student
2. Hand out one card and one clothes pin (spring style a.k.a. pinch kind) to each student
3. Play a musical recording (not included) for each “character” or “movement” and have the students identify the correct answer (or what they think they hear) by attaching the clothes pin to the character
