

MCCSC Website Reporting Information

Indiana Code 20-35.5-5-1 requires, by July 15 of each year, school corporations to report information about screening for dyslexia on the school corporation website.

1) State the grade(s) and subset(s) in each grade that WERE administered prior to the period your school corporation and charter school was not in session. Please state the dates your school was NOT in session.

Universal screening was administered in the following subsets for students in Kindergarten, 1st grade and 2nd grade.

- *Phonological and phonemic awareness*
- *Sound symbol recognition*
- *Alphabet knowledge*
- *Decoding skills*
- *Rapid naming skills*
- *Encoding skills*

Level 1 screening was administered to students in grades 1 and 2.

All MCCSC schools were closed due to the COVID-19 pandemic on March 13, 23, 24; April 3,10,17, 24 and May 1, 2020. The last day of the 2019-2020 school year was May 7, 2020.

2) State the intervention program(s) used, or your school corporation or charter school planned to use, during the previous school year.

MCCSC schools used a variety of intervention programs in the 2019-2020 school year, including Orton-Gillingham, Heggerty Phonics, and Leveled Literacy Instruction.

3) State the number of students who received an intervention, or planned to receive, during the previous school year.

There were 329 students who received interventions In the 2019-2020 school year.

4) State the number of students diagnosed with dyslexia up until the time your school corporation or charter school was in session.

There were 49 students who were diagnosed with the characteristics of dyslexia during the 2019-2020 school year.
