

McKinney-Vento Act Residency and Homelessness Questionnaire

The McKinney-Vento Homeless Assistance Act was created with the goal of ensuring the enrollment, attendance, stability, and educational services for children and youth experiencing homelessness.

When families and students find themselves in transition due to their housing situation, it is important that they know their rights regarding education. If students meet the requirements as stated in the McKinney-Vento Act (42 U.S.C 11431 et seq., Title VII, Subtitle B), their rights are as follows:

- Students may attend their school of origin or the school where they are temporarily residing.
- Students must be provided a written statement of their rights when they enroll and at least two additional times per year.
- Students may enroll without school, residency, or similar records normally required if not available.
- Students have a right to transportation to school of origin or where they are temporarily residing.
- Students must be provided a statement explaining why they are denied enrollment or any other services.
- Students must receive services, such as transportation, while disputes are being settled.
- Students are automatically eligible for Title I services.

The U.S. Department of Education includes the following situations as experiencing homelessness:

- Doubled up with family or friends due to loss of housing and economic hardship
- Living in motels and hotels for lack of other suitable housing and economic hardship
- Runaway and displaced children and youth – Unaccompanied Youth
- Homeless shelters and transitional housing programs
- Public places not meant for housing
- Cars, trailer/camper (does not include mobile homes intended for permanent housing), or campgrounds temporarily due to loss of housing and economic hardship
- Migratory children staying in housing not fit for habitation
