February 1, 2022

Dear Parent or Guardian,

The Monroe County Community School Corporation is planning for Kindergarten registration for the 2022-2023 school year. Kindergarten marks the start of an exciting educational journey for your child. We want to make sure you have several important dates on your calendar.

On Tuesday, February 1, 2022, we will begin accepting registration forms for the 2022-2023 school year. Students enrolling in Kindergarten for the 2022-2023 school year need to have turned five years old by August 1st. If your child has turned five by this timeframe, you should complete the registration for your child online at <https://www.mccsc.edu/kreg> or at your child's home school. If you do not know your home school, you can log on to <http://versallookup.mccsc.edu/elinkrp/Students/BasicTransBoundarySearch.aspx> and enter your address and child's grade and it will tell you the school in your attendance area.

Tuesday, February 15, 2022, MCCSC will host a Kindergarten Open House from 6:00-7:00 p.m. This event will be held in each elementary school so you can see the school and meet current Kindergarten teachers. You can also learn about each elementary school in our [Elementary School Guide](#). Individual elementary schools will also be following up with students who have enrolled in the spring/summer with additional information.

The first day of school for the 2022-2023 school year is Wednesday, August 3rd. Please make sure you enroll your child prior to the first day of school.

Please see the attached MCCSC Kindergarten Registration Information for 2022-2023. This helpful handout contains important information that you can reference regardless of which MCCSC school your child will attend. If you have any additional questions, please do not hesitate to contact us.

Thank you for allowing us the opportunity to educate your child.

Sincerely,

Markay L. Winston, Ph.D.

Assistant Superintendent of Curriculum and Instruction

Dr. Debra Prekert

Director of Elementary Education
