

**Monroe County Community School Corporation
Project Based Learning (PBL)
Reflection and Verification Form**

This form must be completed in its entirety

Student Name: _____ Date of Birth: _____

Graduation Year: _____ School Name: _____

Course Name: _____ Teacher Name: _____

❖ Student Reflection

1. *Please reflect on what you have learned from your project-based learning experience. Include information such as the most important thing you have learned, what you wish you had done differently, and what you have learned about yourself as a learner from this experience.*

2. *How did you contribute to the project based learning experience? If given the opportunity, how would you have contributed differently?*

3. *What did you find to be the most challenging thing working on this project? How did you work to overcome the challenge?*

❖ **Teacher Section**

General Comments:

Select One:

I do recommend that the above named student be awarded completion status in meeting Indiana's employability skills benchmark based on my evaluation of their project-based learning experience.

I do NOT recommend that the above named student be awarded completion status in meeting Indiana's employability skills benchmark based on my evaluation of their project-based learning experience.
