Message from Dr. Morgan

Happy New Year! It is so great to have the students back in school; their excitement is contagious! We look forward to a great semester together!

Report cards go home this Friday. Please ask your child for this and please reach out to your child's teacher if you have any questions or concerns. We know the power of teachers and parents working together to optimize the learning experience for each of our students. We are appreciative of your continued support!

Sincerely,

MCCSC Table Talks: Bullying, Peer Relationships, and Dating Violence

Thursday, January 18, 6:00-7:30 p.m.

MCCSC Co-Lab Building, 5553 E. Miller Drive

Bullying is a serious issue that directly impacts students every day. Join a panel of experts who will provide important education and awareness on bullying and peer relationship supports in our schools and community. This discussion will also include information about teen dating violence and helping youth build healthy relationships. Participants will have the opportunity to ask questions and engage in discussion about this important topic. Our panelists for the evening are Sam Harrell from the Middle Way House, Erik Pearson and Terrance Thomas from the City of Bloomington, and Becky Rose from the Monroe County Community School Corporation.
