Message from Dr. Morgan

Good afternoon University Families!

I am pleased to announce that I have promoted Mrs. Shelley Donahue to serve as our Lead Administrative Assistant at University. Mrs. Donahue has been absolutely phenomenal in her time as Support Administrative Assistant here. Additionally, she has experience in the Lead Administrative Role at Bloomington Graduation School, also in MCCSC. Shelley has also been employed as an administrative assistant at Indiana University, in the School of Informatics Data Science Graduate Program.

Parents of students in preschool through Grade 2, please ask your child about the Birds of Prey program we had yesterday. This program, sponsored by Duke Energy, entailed having wild birds for the kids to see in action. The students were highly engaged and learned a lot. Teachers connected this opportunity to their classroom curriculum and IB units of inquiry. The students really modeled asking questions at the end of the convocation!

Attached to this memo is a flier that serves as an invite to 3 different "table talk" events sponsored by MCCSC. This next "table talk" series is focused on issues of equity and promoting inclusiveness. As a school we continue to learn and grow as we explore and examine these issues; in fact this afternoon our Cultural Responsiveness Team is facilitating an activity at our faculty meeting after school.

Sincerely,

Dates to Remember:

Upcoming Table Talks

**MCCSC Co-Lab, January 25
from 6:00-7:00 p.m.**

**Girls, Inc, February 8 from
67:30 p.m.**

**BHS North, April 12 from 67:30
p.m.**

ENGAGE. EMPOWER. EDUCATE.
