

# Students & Families

The Academy invites you to attend....

[Visit our website](#)

## INFORMATION NIGHTS

December 13, 2018

6:00 – 8:00

or

February 7, 2019

6:00 – 8:00

**RSVP to attend either night**

<https://goo.gl/forms/jRiOjTAQmoV5l75K2>

**Why:** We believe the future is one that will require lifelong learning, and students are given the tools to begin that journey immediately. By directly engaging students with meaningful, relevant, and authentic projects, students will thrive in an ever-changing world.

**What:** Real Learning, Now!

**How:** We combine two years of intensive exploration through project-based learning followed by a flexible progression of opportunities in the higher grades. We equip students with knowledge and skills to chart their own course for future success. Students come to understand the significance of all available opportunities and leave the Academy not just with plans for the future, but the necessary skills to pursue those plans.

### Schedule a Shadowing Day

It is encouraged (not required) for students to schedule a half or full day of shadowing.

- Parents should contact counselor Keri Gross to schedule a date to shadow.
- Students should complete a prearranged absence form for their current school.
- Communicate intentions to shadow with their middle school counselor.
- Email [kgross@mccsc.edu](mailto:kgross@mccsc.edu) or call 812-330-2480.
