

## BHSN 50th Anniversary - Endowment Campaign

Join us in celebrating 50 years of education! BHSN opened its doors in the fall of 1972, welcoming students and faculty to its campus. For 50 years, BHSN has served thousands of students and is one of Indiana's top performing high schools.

To celebrate, BHSN alumni and friends are uniting to build an endowment. The goal is to raise \$500,000! Your gifts will provide a consistent and permanent funding source for BHSN. Every year, #forever, the funds will enrich learning and support programs that help BHSN students thrive.

Your gift is an investment in your alma mater, and most importantly, in future Cougars. Gifts can be also made through Family Foundations, Donor Advised Funds, IRA/QCT, and stock. Future gifts through bequest and estate can also be established. If you have questions please contact our office.

## Campaign of Cougar Champions – Donate Today
