Greetings Families:

We are excited to begin the new school year and welcome students on Wednesday. There has been much input the last few days on a couple of items. As we partner to enhance the very best learning environment for students and staff, I want to update you on those items.

Dress Code:

We value each students' ability to express themselves and welcome their individuality and will continue to adhere to the original language of the dress code from the 2018-19 Student Handbook. We apologize for any concern this may have caused and want to restate that there is no change to the dress code.

Success Periods:

Success Periods will continue to support student clubs and activities during the school day. Students will have opportunities to sign-up for their monthly club participation in the same manner as in previous years.

As a reminder, Bloomington North's Fall Open House is scheduled for Monday, August 19, 2019 from 6:00-8:30 p.m. The evening will include an introduction to North's leadership team and provide an opportunity to meet your child's teachers. We hope you will be able to join us for this great event.

We appreciate your commitment to providing your child with the best educational experiences. Should you have questions or concerns, please feel free to contact me directly at 812.330.7724 ex. 53811.

Your partner in education,

Michelle Brittain-Watts, Principal
