A Conversation about Gun Safety

For parents and caregivers like you.

Each year in the United States, nearly 300 children aged 17 and under gain access to a firearm and unintentionally shoot themselves or someone else. Nearly 500 more commit suicide by gun.

The Be SMART campaign is focused on education and awareness about child gun death and injuries and responsible gun storage. Be SMART recognizes that gun safety is always an adult responsibility.

Location: BHSN Large Group Room (LGI)

Time: 6:00 pm

Date: Monday, February 25, 2019

Parents, guardians, and caregivers will learn how to “Be SMART” and take five simple steps to help prevent unintentional shootings by children.

Be

Secure guns
in your homes
and vehicles

Model
responsible
behavior

Ask about
