# What is FCCLA?

FCCLA is the acronym for Family, Career, and Community Leaders of America. We focus on engaging students in community service, building leadership skills, and preparing members to move into the workforce or onto their college education.

# What is a STAR Event?

STAR stands for Students Taking Action with Recognition. Each event is tied to Family and Consumer Sciences curriculum and skills. An FCCLA member will choose an event that relates most closely to their future goals and then plan, create, and implement their assigned tasks. Each STAR event takes months of hard work and dedication to fully complete. These projects will compete at the State Leadership Conference, and a lucky few will move onto Nationals!

# Why Support FCCLA?

FCCLA members are also members of the Bloomington community and they all attend MCCSC schools. We strive to mold responsible citizens for our community and create lasting relationships between generations.
