

Panther Hoops Basketball League

2019

Rules We Agree to Follow:

Technical Stuff

- We will follow High School rules.
- We will play 20 minute halves with a running clock.
- We will only shoot free throws during the last 2 minutes of each half.
- Shooting fouls and fouls after 6 team fouls per half will result in 1 point and the ball.
- There is no pressing once a team reaches a 20 point lead.
- We will play a 9 game schedule with a tournament. Teams will be seeded for the tournament. If teams are tied after league play, if not head to head, a shoot-off will determine the higher seed.
- No additions to your roster without permission from the Commissioner

Behavioral Stuff

- Excessive trash talking is prohibited. Excessiveness will be determined by the Commissioner and Assistant Commissioner. Those crossing the trash talking threshold will be removed from the game....with no chance for an appeal. Repeat offenders will be removed from the league....with no chance for an appeal.
- Aggressive behavior deemed excessive will also result in removal from the game and could result in removal from the league.....with no chance for an appeal.
- The referees will remove any player who excessively questions their judgment. Again, there will be no appeal.

Pain in the Rear Stuff

- We need to have an adult on the bench for each game.
- **Each team will supply someone to run the clock or keep the scorebook**
- No one will be allowed to play without their team jersey.
