CVS Free COVID-19 Eligibility Information

In order to be eligible for the free COVID-19 PCR/Rapid testing that is provided through CVS, you must be able to answer Yes to at least one of the following questions:

- Are you seeking a COVID-19 test because of high transmission rates and difficulty maintaining recommended social distancing?
- In the last 14 days, have you had contact with someone who has a suspected or confirmed case of COVID-19?
- Have you been asked or referred to get tested by a health care provider?
- Have you experienced any symptoms in the last 14 days?
