### **CORONAVIRUS PREPAREDNESS**

The safety and security of our students and staff is of primary importance. We continue to work with the Indiana Department of Education (IDOE), Monroe County Health Department and State Health Department in monitoring for the coronavirus (COVID-19). In the event that we would have to close a school/schools, information regarding contingency learning plans, breakfast/lunch sites, technology assistance, and employee information will be posted on the doors of each school and the [MCCSC website](#).

Please know that we understand the intense burden a closure places on our families and as such, if you are traveling in the days ahead, **please monitor your health closely and contact your physician if you are exhibiting symptoms of the coronavirus.** [Click here.](#) **Self-monitoring after travel is critical to the health and well-being of all our students and staff.**

Thank you for all of your help and support as we continue to be “fluid” in our response depending upon state and county guidance related to the specific occurrence/occurrences of the coronavirus (COVID-19).
