

KINDERGARTEN-8TH GRADE

MCCSC ONLINE ACADEMY

Feedback from the spring was used to create an Online Academy as a permanent or temporary option for students. In addition, we have redesigned and enhanced our instructional delivery and content.

- Taught by MCCSC Teachers Through Canvas
- Uses the MCCSC Curriculum & Pacing
- Student is Still Enrolled at their Home School
- Live Instruction & Interaction with Teachers
- Personalized Learning Plans for Each Student
- Project-Based Learning (PBL), SEL, & Science, Technology, Engineering, Art, & Math (STEAM) Focus
- Students May Participate in Clubs/Sports Online or at the Home School
- Student May Choose to Return to In-Person School During the First 2 Weeks of the School Year or at the End of a Semester
- Students Should Be Able to Participate with Minimal Parent Participation
- Special Education, ENL, & 504 Accommodations Will Be Provided as Needed
- iPads will be provided for each student

For more information or for instructions on how to register, please visit www.mccsc.edu/onlineacademy or email onlineacademy@mccsc.edu
