Overview of Safety Measures
Transportation of Students

ENGAGE. EMPOWER. EDUCATE.
Mats for disinfecting will be at each entrance.
Masks will be worn by students and staff.
Staff and Students will be socially distanced to the extent possible.
Students and staff will wash hands numerous times a day.
In addition, hand sanitizer will be made available throughout the day.
Outside spaces will be utilized.
Outdoor sinks will be available for handwashing.
Disinfectant wipes will be readily available and use encouraged.
Health Services

Registered Nurse

- Advise employees and families when someone has symptoms or has been a close contact of someone who tested positive

- Follow up with employees and students who are quarantining or isolating

- Complete Contract Tracing

- Communicate with the Monroe County Health Dept. and Indiana State Dept. of Health when there is a positive case
Heating and Air Conditioning

• All inside air is monitored and filtered.
• Outside air brought into all schools. The amount is determined by outdoor temperature and building load.
• The MCCSC has a certified indoor air quality specialist on staff.
• The MCCSC meets and/or exceeds the Indiana State Department of Health Indoor Air Quality best practice standards.
Cleaning will be deep and continuous.
