Please consider helping our PTO raise money through the Box Tops for Education program. The program is changing the way we can earn cash for our school! Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

Going forward if you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. You can also download the new Box Tops app and begin scanning your store receipt to add to our school's earnings. You can learn more about the changes at: <https://www.BTFE.com>.

At every age, kids need significant relationships.

The significant relationships in a child's life include parents, teachers, relatives, coaches, and spiritual leaders.

As a parent, you can encourage these relationships as a way to ensure that other trusted adults are surrounding your kids with the same messages and advice that you would.

**So don't miss it.** This year, this month, today is just a Phase!
