ENROLLMENT

Children must be 3 by August 1, 2016 and be completely potty-trained to be eligible for this program.

Enrollment is held on a first-come, first-served basis. NOTE: Enrollment is satisfied for RSG when: enrollment form and fees, immunization records, and birth certificate are received in the SAC Office. If a child cannot be admitted immediately because of full enrollment, she/he will be placed on a waiting list or, if desired, transferred to another program.

Enrollment will be processed in two business days. Teachers must have all paperwork before your child can begin attending. The Preschool Coordinator will inform you of your child's first day of school.

*Due to liability and staffing, children attending School Age Care Programs may not bring non-enrolled friends or guests to the program.

ATTENDANCE POLICIES

Exterior doors of the school open for a period of 15 minutes to allow students entry directly to their designated classrooms. Arrivals after the start of the school day will be required to enter through the main office.

Extended day is open until 5:30 PM. Staff will remain with children until they are picked up. If a child is not picked up by 5:45 PM, and there has been no notification, the following steps will be implemented:

- Staff will continue attempts to contact parents/guardians and will call all emergency numbers listed on the enrollment form.
- If staff have been unable to contact anyone listed in the above steps by 6:00 PM, the Director will contact the Monroe County Department of Child Services and Bloomington Police Department for assistance.

INCONTINENCE

All children in RSG need to be fully potty trained and able to use the bathroom totally unassisted throughout the day. This means no Pull-Ups, or diapers at any time. If a child is having accidents habitually, it indicates that they are not fully potty trained and may be asked to withdraw from the program.

BREAKFAST, LUNCH & SNACK

Breakfast/Lunch: A nutritious breakfast/lunch, prepared by the MCCSC Food Service personnel, will be available in all schools. Parents who wish to participate in the breakfast/lunch program should notify the teacher. Payment arrangements should be made with the Food Service Office.

Snack: Snacks are available to all children in the RSG Program. Snacks are intended to give your child energy and not to be a full meal. Cost of snack is figured into the program fees. We strive to provide healthy snack options such as fresh fruit and vegetables, yogurt, cheese.

Please contact your child's teacher if you would like to bring in a special treat for the class. Any food brought into the program must be pre-packaged.

PERSONAL BELONGINGS

Clothing: Please label all belongings. The Ready-Set-Grow program is a recreational program and children should dress appropriately for indoor and outdoor play. Clothing should be comfortable and easy for children to manage by themselves. Please leave extra accessories at home such as watches, bracelets, rings, etc. We also ask that you provide an extra complete set of clothing for use in case of accidents.

Toys: Please assist your child in keeping toys and other personal items at home. Personal items of great importance or value should not be brought to the program. We will not be responsible for lost or damaged items.

Sleep Gear: Your child will need one small blanket and small pillow (optional) for daily quiet time.

QUIET TIME

After children have had a busy morning, quiet time is an important part of their day. All children in the full day RSG program will lie down for a quiet rest time not exceeding one hour after 12:45 PM.

CURRICULUM

All Ready Set Grow Classrooms teach early skills based on the Foundations to the Indiana Academic Standards in the development of literacy, math, science, social studies, and the arts through play-based projects and social development. As a resource, Ready Set Grow uses the nationally praised Literacy Express curriculum researched and designed to “boost oral language skills, phonological awareness, and print knowledge.” Children learn to interact with each other and the world around them in play groups and activity based instruction. In addition to educational skill development, Ready Set Grow provides opportunities to learn and practice gross motor skills, problem-solving, listening, and communication all while focusing on the development of friendships and positive relationships with peers. Individual classroom coordinators are able to provide weekly lesson plans.

INCLUSION

The School Age Care program does not discriminate on the basis of sex, race, creed, physical handicap, or national origin in its enrollment policies.

The program considers the applications of children with special needs on a case-by-case basis. Children must meet the entrance age requirement. Communication between the parent and the program staff will allow your child better opportunities for involvement. Reasonable accommodations will be attempted to meet the needs of each child. If the staff finds that our program cannot meet the needs of your child, we will work with you to find other accommodations.

MCCSC Policy 2260.01- It is the policy of the Corporation to afford qualified students with disabilities an equal opportunity for participation in education, and in non-academic extracurricular services and activities sponsored by the Corporation. The Corporation will evaluate students who may need reasonable accommodations to participate to the fullest extent possible in a Corporation-sponsored activity or service.

Upon a request by a qualified student with a disability to participate in any academic or non-academic activities or extracurricular services sponsored by the Corporation, the Corporation will conduct an individualized assessment of the student. The Corporation will evaluate the student based on the specific nature of the disability and the specific reasonable accommodations that student needs to participate in the Corporation-sponsored activity or service. The individual assessment will include an evaluation of whether existing policies, practices or rules may be modified to accommodate the students.

Behavior Management Goals

BULLYING

RSG views bullying and teasing as a serious issue. All staff and students must be aware that bullying behavior will not be tolerated in our programs. Students should feel safe in all areas of the school. We create an environment of support in RSG where students are listened to and action taken that is prompt and sensitive to their concerns.

CHILD ABUSE & NEGLECT

State law requires RSG staff to report any suspected cases of child abuse and neglect to the proper authorities. All staff are trained in proper MCCSC protocol for reporting suspected cases.

BEHAVIOR MANAGEMENT & GOALS

The goal of RSG is to establish and maintain a behavior management system that will reinforce positive behaviors. The following methods will be used to accomplish these goals:

- Staff will act as positive role models.
- Rules will be appropriate for preschool children's development.
- Rules will be consistently implemented.
- Consequences will be logical, such as redirecting children to other activities or limiting choices.

Physical contact in disciplining a child is avoided unless it is necessary to keep a child from harming themselves or others. A child whose behavior creates a safety issue will not be accommodated. If a child is exhibiting behavior problems in a program the following steps will be implemented

- The problem will be discussed with the child.
- The use of time out will be implemented.
- The parent(s) will be notified of the problem.
- The parent(s) will be called in for a behavior conference.
- The child may be suspended.
- The parent(s) will be asked to withdraw the child.
- We reserve the right to dismiss any child when staff determines that the program cannot meet his/her needs.

Behaviors that constitute reason for suspension from the program:

- Physical assaults on staff members or on other children.
- Possession of weapons or other dangerous articles.
- Possession of a controlled substance.
- Leaving program and/or school grounds without a parent or the permission of staff.
- Theft.

RSG staff can administer medication under the following conditions:

- Approval and training from the Health Aide has been completed.
- Prescriptions and over-the-counter medicines must be in the original container.

INCLEMENT WEATHER

When MCCSC is closed, RSG will be closed.

When the start of the school day is delayed, RSG will open at its regularly scheduled time. Our before school care will open at 7:00 AM. Parents can chose to bring their child at their regular drop off time, or the two hour delay drop off time.

In the event of an early dismissal, we ask that parents pick their children up as promptly as possible so that our staff can get home safely. Our programs will remain open until all children have been signed out.
