

CORPORATE WELLNESS PROGRAM INTRODUCTION LETTER

Greetings MCCSC/Andrea Mobley:

When you consider the importance of investing in the health and wellness of your employees, a great option is providing them access to a Corporate Employee Membership at the local independently owned and operated Massage Envy franchised location.

Through the Massage Envy Corporate Wellness Program, you can offer your employees a discounted, corporate-rate membership to their local Massage Envy franchised location as a part of your company's employee benefit package **at no cost to you**. Your employees can save up to \$60 annually compared to a regular Massage Envy membership.

Benefits of a Corporate Wellness Program include:

- Members receive one 60-minute Wellness Massage, Total Body Stretch or Healthy Skin facial session monthly.
- Enjoy unlimited additional 60-minute and 90-minute Wellness Massage, Total Body Stretch or Healthy Skin Facial sessions at a discounted member rate.
- Discounts on additional services and specified retail products.
- When you travel, your Massage Envy membership travels with you and can be used at over 1,170 franchised locations nationwide.
- Introductory Guest Pass entitles a guest to obtain an introductory Wellness Massage, Total Body Stretch or Healthy Skin facial session for the current introductory rate (limited to one visit every six months per guest).
- Spread the word about Massage Envy and get the opportunity to earn free sessions when you refer friends & family who sign up for a membership at a Massage Envy franchised location.
- Can't make your monthly session? You can use your accrued but unused monthly session any month you are an active member. Better yet, save them up to use them toward a 90-minute session* or share them with friends and family.
- Standing appointments available.

Help your employees discover the benefits of Total Body Care at an independently owned and operated Massage Envy franchised location. Please reach out to me with any questions concerning the Massage Envy Corporate Wellness Program.

We look forward to helping you help your employees feel their very best!
