SCHOOL STARTS AUG. 9TH

ENGAGE. EMPOWER. EDUCATE.
MISSION OF THE MONROE COUNTY COMMUNITY SCHOOL CORPORATION
Empowering students to maximize their educational success to become productive, responsible global citizens.
Dear MCCSC Parent/Guardians,

On behalf of our Board of School Trustees and the entire staff, thank you for a most rewarding 2016-2017. Welcome to the 2017-2018 school year! Your support in passing the 2016 Referendum has given us the privilege to provide numerous educational opportunities and extra-curricular activities that engage, empower and educate your children.

We look forward to the continued opportunity to serve this exceptional community and especially your children, our students!

We have had many exciting events over the past year as the MCCSC maintains the reputation of providing quality education that is second to none. Here are a few highlights from 2016-2017.

- Binford, Bloomington South, Batchelor, Childs, Unionville, and The Academy of Science and Entrepreneurship were named Four Star Schools,
- Childs Elementary School achieved International Baccalaureate designation the end of the 2016-2017 school year, University and Templeton Elementary are on track for IB designation in 2017-2018,
- Bloomington North and South were recognized at the 2017 Indiana Advanced Placement reception for having at least 25% of the graduating class cohort earning a score of 3 or higher on at least one AP exam,
- Batchelor Middle School achieved recognition as an IDOE Full STEM Certified School,
- Unionville Elementary announced the creation of an EARTH curriculum,
- Summit and Clear Creek pilot a dual language immersion program,
- The 1st Annual Girls in Engineering, Math and Science (GEMS) Career and STEM Expo was held,
- We graduated eighteen National Merit Finalists, three National Merit Scholars, two Lilly Scholars, two Indiana University Wells Scholars, one Coca-Cola Scholar, seventy-nine Advanced Placement (AP) Scholars, twenty-five AP Scholar Honors, fifty-two AP Scholars with Distinction and nine National AP Scholars,
- Those students who completed dual credit college courses earned 3683 credits saving families an estimated $1,045,000 in college tuition costs,
- Students who were successful on the Advanced Placement exams saved parents $382,000,
- MCCSC graduates in 2017 accepted over of $10,700,000 in college scholarships,
- MCCSC graduates in 2017 accepted over of $10,700,000 in college scholarships,
- Indiana Association of School Principals honored eight MCCSC juniors as the 2017 Rising Stars of Indiana for their academic achievement,
- The Indiana Department of Workforce Development recognized Hoosier Hills Career Center as a top performing Career Center in Indiana. HHCC passed all eight-performance indicators,
- Bloomington South Teacher, Kristin Milks is one of eight Indiana Finalists for the Presidential Award for Excellence in Mathematics and Science Teaching.

Our commitment to serving the needs of ALL students is our central focus. We look forward to opening day, Wednesday, August 9, 2017. Please check our website for updated information regarding registration, school supply lists, food service, transportation and other items you may find useful as we begin the new school year.

Welcome to the Monroe County Community School Corporation and have a most rewarding 2017-2018 school year!

Proud to be MCCSC,

Dr. Judith DeMuth
Superintendent of Schools
MCCSC CORE VALUES

Value 1: Engagement
All students can learn. We teach all students. No exceptions. All students deserve rigorous, diverse curricular and extracurricular programs, integrated with technology. Such programs balance students’ needs and interests, resulting in high levels of student engagement, achievement and completion.

Value 2: Empowerment
All students are diverse and unique. When students are empowered, self-esteem grows. All students’ experiences and perspectives are assets that reflect the strength of our schools and the values of our community. Such assets, when respected, nurtured and explored, promote their academic success and the success of their peers.

Value 3: Environment
All students thrive in a positive, creative and stimulating learning and working environment. All employees excel in a culture actively supported by professional development opportunities. Highly-trained, highly-valued teachers and staff are pivotal to the continuous improvement and success of our students. All students deserve, and we will provide, a healthy, safe and secure learning environment.
Do you remember that big stack of registration paperwork you are required to fill out at the beginning of school each year?

If you currently have students enrolled in the MCCSC Skyward system, online registration is now open until August 20th. Simply use your Skyward Family Access login information at www.mccsc.edu/skyward to access the new online registration packet. This online registration is for existing MCCSC families in grades 1-12.

If you have forgotten your password, select the “Forgot your Login/Password” link below the “Sign In” button and you will be prompted with reset instructions. Skyward Family Access is connected to the email address provided upon initial enrollment. If you do not have access to that information, you can obtain it by visiting the front office of your child’s school after they reopen on July 24th. Office hours at that time will be 8 am – 4 pm. Traditional paper registration packets will be sent home with families that do not use the online registration process.

Please contact webmaster@mccsc.edu if you have any questions during the online registration process.

New to MCCSC students may enroll at their home school anytime between 8am and 4pm. For more information about the documentation required for enrollment please visit www.mccsc.edu/enrollment.

Now Available

*Here Comes the Bus®*

Send your children to the bus stop at the just right time, everytime.

www.mccsc.edu/hctb
Unionville Elementary Principal Lily Albright announced at the April MCCSC Board of School Trustees meeting a new curriculum initiative called EARTH (Environment, Art, Resources, Technology, and Health). With the success of initiatives like STEM (Science, Technology, Engineering, and Math) and STEAM (Science, Technology, Engineering, Arts, and Math), Principal Albright wanted to find a way to incorporate the environment, natural resources, and health into their curriculum. Unionville sits on 18 beautiful acres in northeast Monroe County, so she had to look no further than the school’s backyard. Stay tuned as we follow this program as it unfolds during the 2017-2018 school year!
## Monroe County Community School Corporation
### 2017-2018 Staff Calendar

### School Day Schedule

**Grades 7-12**
- 8:00 a.m.-2:55 p.m. (M-F)

**Grades K-6**
- 9:00 a.m.-3:45 p.m. (M-F)

### Outside Recess Weather

**Temperature** – MCCSC uses a temperature range that is considered too cold for outside recess if temp is 18-23 degrees with wind-chill (depending upon location of playground and sunshine). Calculation tool for wind chill is found on Department of Education web link: [http://www.nws.noaa.gov/om/cold/wind_chill.shtml](http://www.nws.noaa.gov/om/cold/wind_chill.shtml).

**Threatening Weather** – Cancel recess and/or bring students inside in an orderly manner if lightning is spotted or thunder is heard. The sky must be free of thunder and lightning for 30 minutes to be considered clear.

### Calendar

#### August '17
- **July/August**
  - 7 - Opening Day for Teachers
  - 8 - Teacher Workday
  - 9 - First Day for Students

#### September '17
- **September**
  - 4 - Labor Day - No School
  - 15 - 1st 6-wk Grading Period

#### October '17
- **October**
  - 6 - 1st 9-wk Grading Period
  - 9-10 - Fall Break
  - 27 - 2nd 6-wk Grading Period

#### November '17
- **November**
  - 7 - Election Day – Inservice
  - 20-24 - Thanksgiving – No School

#### December '17
- **December**
  - 21 - 3rd 6-wk Grading Period
  - 22 - Built-in Snow Day
  - 25 - Winter Break Begins - No School

#### January '18
- **January**
  - 8 - School Resumes
  - 15 Martin Luther King Day - No School

#### February '18
- **February**
  - 16 - 4th 6-wk Grading Period
  - 19 - Built-in Snow Day

*2017-18 Textbook Fees Approved at May 2017 Board Meeting

**Middle and High School Textbooks Fees are based on individual student schedules.

Meal Prices for 2017-2018 School Year

Meal prices were approved by the School Board on April 25, 2017.

**NEW** MCCSC FOOD POLICY

**NEW**

ALL students receive the same meal options. There are now no alternative meals given.

**NEW**

Low lunch balance reminder calls will now start when a balance is below $6.

**NEW**

If an account reaches -$10 and Food Assistance funds are available, the student account will draw from that fund. If Food Assistance funds are not available, the student account will continue to go negative.

**EXISTING**

A family may apply for free or reduced meals at any time during the school year. Please contact Food Services at 812-349-4762 or visit our website at www.MCCSC.edu for applications in English and Spanish.

**EXISTING**

You may set a higher reminder amount by setting up a MyPaymentPlus account. Sign up at www.MCCSC.edu
INFORMATION FOR PARENTS
IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS

In a shelter
In a motel or campground due to the lack of an alternative adequate accommodation
In a car, park, abandoned building, or bus or train station
Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

• Receive a free, appropriate public education.
• Enroll in school immediately, even if lacking documents normally required for enrollment.
• Enroll in school and attend classes while the school gathers needed documents.
• Receive transportation to and from the school of origin, if you request this.
• Receive educational services comparable to those provided to other students, according to your children’s needs.

• Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible.
• If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

If you believe your children may be eligible, contact our Director of Student Services Becky Rose, at 812-349-4763 to find out what services and supports may be available.
School Immunization Requirements & Indiana State Department of Health 2017-2018 School Year Provider FAQ’s

1. Where can I find more information pertaining to the school immunization requirements for the state of Indiana?
The Immunization Division at the IN State Department of Health posts information pertaining to the school immunization requirements on the homepage for the Immunization Division on the Indiana State Department of Health website. In addition, the resources and information is available to you in the Document Center of the Children and Hoosier Immunization Registry Program (CHIRP). You do not need a user login and password to access these documents from CHIRP. To access these documents:
1. Go to the CHIRP homepage: [https://chirp.in.gov](https://chirp.in.gov)
2. Click on the link in the center of the page for the Document Center
3. Click on the link to 2017-2018 Indiana School Immunization Requirements (They are also listed on page 9.)

2. What information must be included on the physician’s statement to document immunization?
The statement must include the student’s name and date of birth, the vaccine given and date (month/day/year) of each immunization.

3. Is lab evidence of immunity acceptable for ALL school required immunizations?
No. Lab evidence is NOT acceptable for Diphtheria, Pertussis, or Tetanus. Laboratory evidence of immunity may be used in place of immunization requirements for the following school required immunizations:
- Measles - Mumps - Rubella -Chickenpox
- Hepatitis A & B - Polio
Serology testing for chickenpox can only be used to document history of disease

4. What is the four-day grace period and when can it be used?
The Centers for Disease Control and Prevention (CDC) and Advisory Committee on Immunization Practices (ACIP) allow a 4-day grace period. If a vaccine is given up to 4 days before the minimum recommended age or interval for administration of the vaccine, it can be counted as valid and it will meet school requirements. The four-day grace period does not apply to the minimum 28-day interval between 2 live virus vaccines (MMR, LAIV and Varicella). This also does not change the recommended schedule for routine vaccine administration.

5. What is the minimum age for MMR and varicella vaccines to be counted as valid doses?
Doses of MMR and varicella given up to 4 days prior to the first birthday are considered valid. Doses given 5 or more days prior to the first birthday must be repeated in order for the child to meet school entry requirements, even if several years have elapsed since the doses were administered.

6. What are the minimum intervals for Hepatitis B vaccine?
The minimum intervals between vaccine doses are as follows:
- Dose 1 and 2 is 4 weeks (28 days)
- Dose 2 and 3 is 8 weeks (56 days)
- Dose 1 and 3 is 16 weeks (112 days)
Note: The minimum age for the 3rd dose of Hepatitis B vaccine is 24 weeks (164 days). All minimum intervals and ages must be met in order for a student to be considered compliant; regardless of grade level. There is no harm in repeating a dose of vaccine to ensure a child is protected.

7. If a child received a dose of vaccine before the recommended minimum interval or age, can I provide a note stating the dose is valid in my medical opinion?
No. School immunization requirements in the state of Indiana follow the recommendations made by the ACIP that are adopted by the CDC. Invalid doses will be marked in CHIRP with a red “X”, and the parent/guardian will need to provide evidence of immunity in order for their child to attend school. Evidence of immunity includes documentation of a valid dose(s) of vaccine, a positive IgG titer (if acceptable for the vaccine dose in question), or acceptable documentation of history of disease. Students may be excluded from school until a dose of vaccine is repeated.

8. May a chiropractor give a medical exemption for vaccination?
No. Only a licensed physician (M.D. or D.O.) can provide a medical exemption. A nurse practitioner or a physician assistant under a physician’s supervision can also give a medical exemption.
9. What must a medical exemption contain?
A medical exemption is a physician’s certification that a particular immunization may be detrimental to the child’s health. It must state in writing that the child has a medical contraindication to receiving a vaccine. The IN State Department of Health has a medical exemption form available on CHIRP that providers should use to document medical exemptions. This form is available on CHIRP in the Document Center. Many contraindications to vaccination are not permanent; therefore, a medical exemption should be obtained for the student each school year. As true medical contraindications to immunization are vaccine-specific, medical exemptions must be written for each vaccine that is contraindicated. Link to Medical Exemption form on CHIRP: https://myshare.ind.gov/ISDH/LHDResource/immunizations/School%20Vaccines%20Documents/Vaccine%20Medical%20Exemption%20Form.pdf

10. What must a religious objection contain?
A religious objection must state that the objection to immunization is based on religious grounds. Each objected immunization must be specified. The objection must be in writing, be signed by the child’s parent, and delivered to the school. The religious objection must state there is a religious objection to vaccination and must specify the vaccine(s) the parent is refusing. There is no requirement of proof. To ensure the continued religious objection status for a student, schools must require written documentation of the religious objection each school year.

11. Is there a philosophical objection allowed in Indiana?
No. Indiana law only allows religious and medical exemptions. A child must have a complete vaccination record, or have a religious objection or valid medical exemption on file in order to attend school.

12. If a child receives one dose of MCV4 vaccine at age 10 or older and another dose of MCV4 at age less than 16, will they still need a booster dose at age 16?
No. As long as the first dose was given after the 10th birthday and the 2 doses are separated by a minimum of 8 weeks. However, the child’s healthcare provider should offer a booster dose before a student graduates from high school if the student plans to attend college.

13. Is a doctor’s statement required as proof of chickenpox disease?
• For children entering preschool through 9th grade, a signed statement by a health care provider, documenting a diagnosis of varicella or verifying the history of disease, including date (MM/YY) is required. Chickenpox disease occurring in previously vaccinated persons is difficult to diagnose. A child should be vaccinated if there is uncertainty regarding the diagnosis; there is no harm in vaccinating a person who is already immune to disease. More information for providers on assessing disease history is available at: http://www.cdc.gov/chickenpox/hcp/immunity.html
• For children entering grades 10-12, documentation from a parent is sufficient. A written statement should include date of disease, a parent’s signature, and date of signature. (Example: If a parent cannot recall exact dates, something as simple as stating that disease occurred in the spring of 2000 is acceptable)

14. I have a student who will be only 10 when he enters 6th grade. Should he receive the MCV4 and Tdap before 6th grade like the other students, or wait until he is 11?
The student should receive the Tdap and MCV4 prior to entering 6th grade. Indiana’s school immunization requirements are grade-based and not age based. A dose of Tdap and MCV4 will count towards the adolescent requirements if given at age 10 or older.

15. Where can I access my student’s immunization records?
The Indiana State Department of Health maintains an Immunization information System known as CHIRP (Children and Hoosier’s Immunization Registry Program). The purpose of CHIRP is to collect, forecast, manage, and share vaccine data to registered medical providers in Indiana. An individual may access their personal or their dependents vaccine record through the MyVaxIndiana portal. If you would like access, contact MyVaxIndiana 1-888-227-4439 or email MyVaxIndiana@isdh.in.gov.

For questions pertaining to the school immunization requirements or immunization schedules, please contact the Immunization Division at (800) 701-0704 or email immunize@isdh.in.gov.

2017-2018 School Year School Entry Immunization Requirements

Hep B: The minimum age for the 3rd dose of Hepatitis B is 24 weeks of age.

DTaP: Four doses of DTaP/DTP/DT are acceptable if 4th dose was administered on or after child’s 4th birthday.

Polio: Three doses of Polio are acceptable for all grade levels if the third dose was given on or after the 4th birthday and at least 6 months after the previous dose with only one type of vaccine used (all OPV or all IPV). For students in grades kindergarten through 7th grade, the final dose must be administered on or after the 4th birthday, and be administered at least 6 months after the previous dose.

Varicella: Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 5th grade. Parental report of disease history is acceptable for grades 6-12.

MCV4: Individuals who receive dose 1 after their 16th birthday only need 1 dose of MCV4.

Hep A: The minimum interval between 1st and 2nd dose is 6 calendar months. K-3 is required.

**For grades 4-12, two doses of Hep A are recommended.

MenB **Two doses of Meningococcal Serogroup B vaccine are recommended for Grade 12.

LANGUAGE ASSISTANCE AND FAMILY SUPPORT

We welcome families from all cultures to the Monroe County Community School Corporation (MCCSC). We strive to make every student’s educational experience positive. For questions regarding school enrollment and MCCSC programs and services, please call the Language Assistance number at 812-961-7500.

We have the following language interpreters on staff; Spanish, Korean, Chinese, Arabic, and Japanese. An over-the-phone interpreting service is used for all other languages.

The cards pictured above are available in several community offices and businesses. If you would like some of these cards for your community office please email Andrew Clampitt at awclampi@mccsc.edu with the request.

Damos la bienvenida a las familias de todas las culturas a La Corporación Escolar De La Comunidad Del Condado De Monroe (MCCSC). Nos esforzamos para hacer positiva la experiencia educativa de cada estudiante. Para preguntas con respecto a la inscripción escolar y los programas y servicios de MCCSC, por favor póngase en contacto con nuestra intérprete de español:

Tania Curruchiche
Encargada del Enlace Familiar Bilingüe
tcurruch@mccsc.edu
(812) 961-7500

Los servicios de interpretación y traducción están disponibles para las familias sin costo alguno.
