ENGAGE. EMPOWER. EDUCATE.

SCHOOL STARTS AUG. 8TH
Dear MCCSC Parent/Guardians,

On behalf of our Board of School Trustees and the entire staff, thank you for a remarkable 2017-2018 school year. We are excited to begin 2018-2019 as we continue to celebrate your children – our students and their many accomplishments!

At MCCSC, we are committed to providing a world-class education to ALL students in a safe, nurturing and accepting environment. The opportunity to serve this community in educating our youth is a privilege and honor and we are so very proud that you chose the MCCSC to ENGAGE, EMPOWER and EDUCATE your child.

We continue to make school safety a top priority. In addition to the many safety protocols, plans and procedures, we have limited controlled access points, buzzer access for patrons, a corporation resource officer and security officers.

Since the most recent school shootings we have completed the following:

- Public District-wide safety forums were held
- School focused safety forums were conducted
- Transportation Department conducted active shooter training
- Staff are located at school entrances upon student arrival and dismissal
- All schools will have limited access card readers for staff
- School front entrances are being redesigned where possible to direct visitors to the office
- A major grant award to emphasize social emotional learning was received
- Three additional social workers are being added for social emotional well-being
- A part-time clinical psychologist will be added for social emotional well-being
- An additional nurse will be added to serve students’ needs
- An additional resource office will be added to serve students’ needs
- The Bloomington Police Department and Sheriff’s Department officers have been given access cards for every building to expedite entry
- Secondary Principals and Athletic Directors met to insure documentation of required training for coaches and extracurricular activities along with safety communication to parents.
- Stop the Bleed training will be offered for additional staff
- Emergency trailer for reunification sites was equipped.
- Indiana School Safety Specialist training for additional staff
- Study the Governor's scanner program

We will take input regarding the Governor’s scanner program at a Community Conversation on Tuesday, July 31 at the Co-Lab, 553 E. Miller Drive, beginning at 6:00 p.m.

Over the 2017-2018 school year, we have celebrated many achievements of students and staff. Listed below are a few of the highlights which make MCCSC a leader in Indiana education.

- MCCSC is an Indiana Department of Education “A” School Corporation.
- MCCSC was recognized as an International Model Professional Learning Community.
- MCCSC became a Common Sense Certified District: Digital Citizenship corporation.
- MCCSC was awarded a $1,000,000 Lilly Grant for Social Emotional Learning.
- We built an Early Learning Center for children 6-weeks through pre-school.
- An Elementary pilot band program was established for 6th grade students in 2017-18 and will be open to all 6th grade elementary students this year.
- Binford, Childs, University, and Bloomington South were named Four Star Schools.
- Childs, Templeton and University Elementary achieved International Baccalaureate designation.
- Clear Creek and Summit instituted a Spanish Dual Immersion program.
- Unionville began E.A.R.T.H curriculum.
- Childs “Kiley”, an Indiana Canine Assistant Network therapy dog, began school.
- We hosted the 2nd Annual Girls in Engineering, Math, and Science (GEMS) Career and STEM Expo.
- Our 1st Maker Mill Challenge and Showcase for fourth grade students was held with Grandview Elementary winning the overall award.
- Our Career Center, HHCC offered the first Dementia Friendly Certification.
- Bloomington North and South were once again recognized at the 2018 Indiana Advanced Placement reception for having at least 25% of the graduating class cohort earning a score of 3 or higher on at least one AP exam.
- The Academy of Science and Entrepreneurship achieved recognition as an IDOE Full STEM Certified School.
- We graduated twelve National Merit Finalists, ten National Merit Scholars, two Lilly Scholars, one Indiana University Wells Scholar, one Coca-Cola Scholar, forty-five Advanced Placement (AP) Scholars, twenty-two AP Scholar Honors, sixteen AP Scholars with Distinction and one National AP Scholar.
- We began the process to reimagine Tri-North Middle School.
- We completed intense paving and transportation access plans at Lakeview, Clear Creek, Arlington, Marlin, Highland Park, Batchelor, Bloomington North and South.
- The Indiana Association of School Principals honored eight MCCSC juniors as the 2018 Rising Stars of Indiana for their academic achievement.
- Many of our staff members have received local, state and national recognition.

We look forward to opening day, Wednesday, August 8, 2018. Please check our website for updated information regarding registration, school supply lists, food service, transportation and other items you may find useful as we begin the new school year.

Thank you for choosing the Monroe County Community School Corporation and have a most rewarding 2018-2019 school year!

Proud to be MCCSC,

Dr. Judith DeMuth
Superintendent of Schools
VALUE 1: ENGAGEMENT

All students can learn. We teach all students. No exceptions. All students deserve rigorous, diverse curricular and extracurricular programs, integrated with technology. Such programs balance students’ needs and interests, resulting in high levels of student engagement, achievement and completion.

VALUE 2: EMPOWERMENT

All students are diverse and unique. When students are empowered, self-esteem grows. All students’ experiences and perspectives are assets that reflect the strength of our schools and the values of our community. Such assets, when respected, nurtured and explored, promote their academic success and the success of their peers.

VALUE 3: ENVIRONMENT

All students thrive in a positive, creative and stimulating learning and working environment. All employees excel in a culture actively supported by professional development opportunities. Highly-trained, highly-valued teachers and staff are pivotal to the continuous improvement and success of our students. All students deserve, and we will provide, a healthy, safe and secure learning environment.
Do you remember that big stack of registration paperwork you are required to fill out at the beginning of school each year?

This NEW online registration process provides a more convenient way for parents to fill out this information. It confirms emergency contacts, military opt-in, allergies, etc. and eliminates this step upon the return to school.

Moving schools? It’s ok. Your online registration follows your child when they transfer between schools. If you currently have students enrolled in the MCCSC Skyward system (grades 1-12), online registration is open until August 20th. Simply use your Skyward Family Access login information at www.mccsc.edu/skyward to access the new online registration packet. If you have forgotten your password, select the “Forgot your Login/Password” link below the “Sign In” button and you will be prompted with reset instructions. Skyward Family Access is connected to the email address provided upon initial enrollment. If you do not have access to that information, you can obtain it by visiting the front office.

For more information about the documentation required for enrollment please visit www.mccsc.edu/enrollment. Please contact webmaster@mccsc.edu if you have any questions during the online registration process or ask us a question in the comments. Parents and guardians who do not complete this online registration will be prompted to complete the traditional paper registration upon the return to school.

New to MCCSC students may now enroll at online at www.MCCSC.edu/Enrollment.

*2018-19 Textbook Fees Approved at June 2018 Board Meeting

**Middle and High School Textbooks Fees are based on individual student schedules.

Eligibility for Free Textbooks . . .
Families whose income falls within guidelines to receive free lunch may also receive free textbooks. Please call 812-330-7700 for additional information on eligibility and/or setting up a payment plan.

Meal Prices for 2018-2019 School Year
Meal prices were approved by the School Board on April 25, 2017.

**MCCSC FOOD POLICY**

ALL students receive the same meal options. There are now no alternative meals given.

Low lunch balance reminder calls will now start when a balance is below $6.

If an account reaches -$10 and Food Assistance funds are available, the student account will draw from that fund. If Food Assistance funds are not available, the student account will continue to go negative.

A family may apply for free or reduced meals at any time during the school year. Please contact Food Services at 812-349-4762 or visit our website at www.MCCSC.edu for applications in English and Spanish.

You may set a higher reminder amount by setting up a MyPaymentPlus account. Sign up at www.MCCSC.edu
Monroe County Community School Corporation
2018-2019 Staff Calendar

SCHOOL DAY SCHEDULE
Grades 7-12
8:00 a.m.-2:55 p.m. (M-F)
Grades K-6
9:00 a.m.-3:45 p.m. (M-F)

Outside Recess Weather

Temperature – MCCSC uses a temperature range that is considered too cold for outside recess if temp is 18-23 degrees with wind-chill (depending upon location of playground and sunshine). Calculation tool for wind chill is found on Department of Education web link: http://www.nws.noaa.gov/om/cold/wind_chill.shtml.

Threatening Weather – Cancel recess and/or bring students inside in an orderly manner if lightning is spotted or thunder is heard. The sky must be free of thunder and lightning for 30 minutes to be considered clear.

2018-2019 \ MCCSC \ BACK TO SCHOOL GUIDE 7
WHAT DO I DO IF I AM BEING BULLIED OR KNOW ABOUT SOMEONE BEING BULLIED?

Talk to your teacher, school social worker, counselor or a principal.

The report will be investigated. Your safety is our priority. A plan to insure your safety will be made.

DO YOU HAVE AN ANONYMOUS TIP?

The Safe Schools Hotline is a confidential means of reporting unsafe conditions that could harm students, staff, or the schools. Please call (812) 330-2494 to make a report.

IS IT AN EMERGENCY? CALL 9-1-1

Did you SEE something you thought was suspicious?

Then SAY something to local authorities.

www.mccsc.edu/adulted
1. Where can I find more information pertaining to the school immunization requirements for the state of Indiana? The Immunization Division at the Indiana State Department of Health posts information pertaining to the school immunization requirements on the homepage for the Immunization Division on the Indiana State Department of Health website. In addition, the resources and information is available to you in the Document Center of the Children and Hoosier Immunization Registry Program (CHIRP). You do not need a user login and password to access these documents from CHIRP. To access these documents:
• Go to the CHIRP homepage: https://chirp.in.gov
• Click on the link to 2018-2019 Indiana School Immunization Requirements

2. Are immunizations required for all children enrolled in school? Yes. Students in all grades are required to meet the minimum immunization requirements. Immunization requirements extend to children ages 3 through 5 attending special education programs, child care, or preschool within the school building.

3. If a child does not present an immunization record or is not up to date with their immunizations, may they enroll in school? Yes they may enroll, but Indiana Code (IC 20-34-4-5) states that a child is not permitted to attend school beyond the first day without furnishing a written record, unless:
• The school gives a waiver (for a period not to exceed 20 days); or
• The local health department or a physician determines that the child’s immunizations have been delayed due to extreme circumstances and that the required immunizations will not be completed by the first day of school. The parent must furnish a written statement and a time schedule approved by a physician or health department; or
• A medical exemption or religious objection is on file.

4. What must a medical exemption contain? A medical exemption is a provider’s certification that a particular immunization may be detrimental to the child’s health. It must state in writing that the child has a medical contraindication to receiving a vaccine. The Indiana State Department of Health has a medical exemption form available on CHIRP that providers should use to document medical exemptions. Many contraindications to vaccination are not permanent; therefore, a medical exemption should be obtained for the student each school year. As true medical contraindications to immunization are vaccine-specific, medical exemptions must be written for each vaccine that is contraindicated.

5. What must a religious objection contain? A religious objection must state that the objection to immunization is based on religious grounds. The objection must be in writing, signed by the child’s parent, and delivered to the school. The religious objection must state there is a religious objection to vaccination. There is no requirement of proof. To ensure the continued religious objection status for a student, schools must require written documentation of the religious objection each school year. Please note: there is no state form for a religious objection.

6. Is there a philosophical objection allowed in Indiana? No. Indiana law only allows religious and medical exemptions. A child must have a complete vaccination record or have a religious objection or valid medical exemption on file in order to attend school.

7. May a chiropractor give a medical exemption for vaccination? No. Only a licensed physician (M.D. or D.O.) or advanced practice provider (nurse practitioner or physician assistant under a physician’s supervision) can provide a medical exemption.

8. Do invalid doses of vaccine need to be repeated? A dose of vaccine that is required for school entry and is administered 5 or more days before the recommended minimum age or interval must be repeated as age appropriate. This also applies to live virus vaccines administered at intervals shorter than 28 days. In general, the repeat dose must be spaced after the invalid dose by at least the minimum interval. Children do not meet school immunization requirements if they have one or more invalid doses of vaccine that need to be repeated.

9. If a student received a dose of vaccine before the recommended minimum interval or age, can I send a physician note stating there is no need to repeat the dose as a medical exemption? No. School immunization requirements in the state of Indiana follow the recommendations made by the Advisory Committee on Immunization Practices (ACIP) and are adopted by the CDC. The parent/guardian will need to provide evidence of immunity in order to meet school entry requirements. Evidence of immunity includes documentation of a valid dose(s) of vaccine, a positive IgG titer (if acceptable for the vaccine dose in question), or acceptable documentation of history of disease.

10. I have a patient who will be only 10 when they enter 6th grade. Should they receive the MCV4 and Tdap before 6th grade like the other students, or wait until they are 11? The student should receive the Tdap and MCV4 prior to entering 6th grade. Indiana’s school immunization requirements are grade-based, not age-based. A dose of Tdap and MCV4 will count towards the adolescent requirements if given at age 10 or older. All of the Tdap and MCV4 vaccines are licensed for use in persons 10 years of age. ACIP recommendations are not laws, and Indiana Code for immunization requirements for school trumps the ACIP recommendation.

11. What information must be included on the physician’s statement to document immunization? The statement must include the student’s name and date of birth, the vaccine given, and date (month/day/year) of each immunization.

12. What is considered adequate documentation of an immunization history? Adequate documentation is as follows: documentation from a healthcare provider, an immunization record from another school corporation, an immunization record in the Indiana Immunization Registry (CHIRP), or a printed record from another state registry. This documentation must include the month, day, and year for each dose of vaccine administered.

13. What is ‘laboratory evidence of immunity’? Laboratory evidence of immunity is a blood test for disease-specific immune globulin that measures immunity to disease. This is often used to confirm immunity when immunization records are not available, or a parent reports a history of disease.

14. Is lab evidence of immunity acceptable for ALL school required immunizations? No. Lab evidence is NOT acceptable for Diphtheria, Pertussis, or Tetanus. Laboratory evidence of immunity may be used in place of immunization requirements for the following school required immunizations:

Measles, Mumps, Rubella
Chickenpox, Hepatitis A & B, Polio
15. Does the Meningococcal Serogroup B vaccine count as the meningococcal requirement for school?  
No, this is a different vaccine. The meningococcal requirement is for meningococcal quadrivalent vaccine (MCV4) containing serotypes A, C, W, and Y (Menactra and Menveo).

16. Is a doctor’s statement required as proof of chickenpox disease?  
For children entering preschool through 10th grade, a signed statement by a health care provider, documenting a diagnosis of varicella or verifying the history of disease, including date (month/year) is required. Chickenpox disease occurring in previously vaccinated persons is difficult to diagnose. A child should be vaccinated if there is uncertainty regarding the diagnosis. There is no harm in vaccinating a person who is already immune to disease. More information for providers on assessing disease history is available at: http://www.cdc.gov/chickenpox/hcp/immunity.html

17. If a child receives one dose of Varicella vaccine and then subsequently has chickenpox, is a second dose of Varicella vaccine needed?  
No. The parent will need to provide appropriate documentation of chickenpox disease.

18. Where can I access my student’s immunization records?  
The Indiana State Department of Health maintains an Immunization information System known as CHIRP (Children and Hoosier’s Immunization Registry Program). The purpose of CHIRP is to collect, forecast, manage, and share vaccine data to registered medical providers in Indiana. An individual many access their personal or their dependents vaccine record through the MyVaxIndiana portal. If you would like access, contact MyVaxIndiana 1-888-227-4439 or email MyVaxIndiana@isdh.in.gov.

For questions pertaining to the school immunization requirements or immunization schedules, please contact the Immunization Division at (800) 701-0704 or email immunize@isdh.in.gov.

CHIRP helpdesk: (888)-227-4439 or email chirp@isdh.in.gov.

| Hep B: | The minimum age for the 3rd dose of Hepatitis B is 24 weeks of age. |
| DTaP: | 4 doses of DTaP/DTP/DT are acceptable if 4th dose was administered on or after child’s 4th birthday. |
| Polio: | 3 doses of Polio are acceptable for all grade levels if the third dose was given on or after the 4th birthday and at least 6 months after the previous dose with only one type of vaccine used (all OPV or all IPV). |
| For students in grades K-8th grade, the final dose must be administered on or after the 4th birthday and be administered at least 6 months after the previous dose. |
| Varicella: | Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 10th grade. Parental report of disease history is acceptable for grades 11-12. |
| Tdap: | There is no minimal interval from the last Td dose. |
| MCV4: | Individuals who receive dose 1 after their 16th birthday only need 1 dose of MCV4. |
| Hep A: | The minimum interval between 1st and 2nd dose is 6 calendar months. 2 doses of Hep A is required for grades K-4, 6 and 12. |
| For grades 5, and 7-11, 2 doses of Hep A vaccine are recommended. |

Number under vaccine denotes the number of cumulative doses needed.

TRANSPORTATION UPDATE

The 2018-2019 Bus Information Cards will be mailed the week of July 30th. If you are interested in finding your child’s bus information sooner, you may visit www.MCCSC.edu/Bus.

Visit our website to read about our transportation department, be informed, and understand that providing your child with safe transportation is a team effort. A good understanding of the rules will help develop a positive relationship with your driver. It will also help assure the safety of your children. We want you to know what to do and who to call in the event of a delay, accident, bad weather, traffic, etc.

All questions/concerns are welcome, documented, and answered as needed.

Safety is our #1 priority. We use the best equipment available for your child’s protection. We have state-of-the-art buses with (GPS) Global Positioning Systems, crossing gates, child reminder systems, computerized routing, and video cameras. In addition, our drivers and attendants receive ongoing professional growth training in the areas of student management, evacuations, loading and unloading, and federal and state laws.

If you have any questions please call the Transportation Department at (812) 330-7719.

Now Available
Here Comes the Bus®

Send your children to the bus stop at the just right time, everytime.

www.mccsc.edu/hctb

INFORMATION FOR PARENTS

If your family lives in any of the following situations:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children’s needs.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible.
- If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

If you believe your children may be eligible, contact our Director of Student Services Becky Rose, at 812-349-4763 to find out what services and supports may be available.
LANGUAGE ASSISTANCE AND FAMILY SUPPORT

We welcome families from all cultures to the Monroe County Community School Corporation (MCCSC). We strive to make every student’s educational experience positive. For questions regarding school enrollment and MCCSC programs and services, please call the Language Assistance number at 812-961-7500.

We have the following language interpreters on staff; Spanish, Korean, Chinese, Arabic, and Japanese. An over-the-phone interpreting service is used for all other languages.

The cards pictured above are available in several community offices and businesses. If you would like some of these cards for your community office please email Andrew Clampitt at awclampi@mccsc.edu with the request.

Damos la bienvenida a las familias de todas las culturas a La Corporación Escolar De La Comunidad del Condado De Monroe (MCCSC). Nos esforzamos para hacer positiva la experiencia educativa de cada estudiante. Para preguntas con respecto a la inscripción escolar y los programas y servicios de MCCSC, por favor póngase en contacto con nuestra intérprete de español:
