SCHOOL STARTS AUG. 7TH

@MCCSC_EDU (812) 330-7700
Monroe County Community School Corporation www.mccsc.edu
Dear MCCSC Parent/Guardians,

On behalf of our Board of School Trustees and the entire staff, thank you for a most rewarding 2018-2019 school year. We are excited to begin 2019-2020 as we continue to celebrate your children – our students and their many accomplishments!

At MCCSC, we are committed to providing a world-class education to ALL students in a safe, nurturing and accepting environment. The opportunity to serve this community in educating our youth is a privilege and honor and we are so very proud that you chose the MCCSC to ENGAGE, EMPOWER and EDUCATE your child.

Please know that school safety continues to be a top priority. In addition to the many safety protocols, plans and procedures, we have limited controlled access points, buzzer access for patrons, corporation resource and security officers. Our social workers, counselors, and staff continue training to meet with social emotional needs of our students.

Over the 2018-2019 school year, we have celebrated many achievements of our students and staff. Listed below are a few of the highlights which makes MCCSC a leader in Indiana education.

- MCCSC Reimagined Tri-North Middle School and broke ground on the new facility that is scheduled to open for the 2021-2022 school year.
- Our new Early Learning Center opened and served children 6-weeks to 4-years of age.
- MCCSC Tip Line was initiated which can be accessed on the MCCSC website.
- MCCSC continues to be a Common-Sense Certified District: Digital Citizenship corporation.
- MCCSC continued the SEL program as a result of a $1,000,000 Lilly Grant. The Second Steps Curriculum was implemented in elementary schools as part of our Social Emotional Learning Instruction.
- MCCSC added 34 STEM related clubs including Robotics, Coding, Engineering, and Maker Clubs.
- MCCSC implemented a Ready Schools Design Thinking Process and will have STEM fellows in every school this school year.
- Childs, University, Unionville, Academy of Science and Entrepreneurship, and Bloomington South were named Four Star Schools.
- Unionville Elementary E.A.R.T.H curriculum was trademarked and recognized as an IDEOE STEM Certified School.
- Unionville Elementary was nominated as a National Blue Ribbon school.
- Unionville Elementary was awarded 2018 Outdoor Lab of the Year by the Indiana Tree Farm Committee.
- MCCSC held the 2nd Annual Maker Mill Challenge and Showcase, in partnership with IU Health. Fourth grade students from University Elementary won the overall award for their design of a reading treehouse which will be built in the children's wing of the new hospital.
- Bloomington North and South were recipients of the GreatSchool of College Success Award for a successful record of graduating student who enroll and complete their second year of college. Bloomington North and South were once again recognized at the IDEOE Indiana Advanced Placement reception for having at least 25% of the graduating class cohort earning a score of 3 or higher on at least one AP exam.
- MCCSC Beginning Band went from a pilot program of several schools, to every elementary student being offered the opportunity to participate.
- Clear Creek and Summit Elementary expanded their Dual Language Immersion programs.
- MCCSC Computer Science was fully implemented during the school year and included a pilot App Challenge in 6th grade at Childs, Lakeview, Grandview and Binford Elementary.
- MCCSC provided Implicit Bias, Microaggression, and Suicide Prevention training to MCCSC faculty.
- The Class of 2019 included seventeen National Merit Finalists, four National Merit Scholars, two Lilly Scholars, three Next Generation Hoosier Scholars, three Wells Scholars, sixty-two Advanced Placement (AP) Scholars, thirty-eight AP Scholar Honors, forty AP Scholars with Distinction, and seven National AP Scholars.
- The Class of 2019 also earned over 6.3 million dollars in scholarships.
- Many of our athletic teams and ECA groups received local, state and national recognition.
- Many of our staff members have received local, state and national recognition while also serving as professional development presenters and speakers.

We look forward to opening day, Wednesday, August 7, 2019. Please check our website for updated information regarding registration, school supply lists, food service, transportation and other items you may find useful as we begin the new school year.

Thank you for choosing the Monroe County Community School Corporation and have a most rewarding 2019-2020 school year!

Proud to be MCCSC,

Dr. Judith DeMuth
Superintendent of Schools

ENGAGE. EMPOWER. EDUCATE.
MCCSC CORE VALUES

Value 1: Engagement
All students can learn. We teach all students. No exceptions. All students deserve rigorous, diverse curricular and extracurricular programs, integrated with technology. Such programs balance students’ needs and interests, resulting in high levels of student engagement, achievement and completion.

Value 2: Empowerment
All students are diverse and unique. When students are empowered, self-esteem grows. All students’ experiences and perspectives are assets that reflect the strength of our schools and the values of our community. Such assets, when respected, nurtured and explored, promote their academic success and the success of their peers.

Value 3: Environment
All students thrive in a positive, creative and stimulating learning and working environment. All employees excel in a culture actively supported by professional development opportunities. Highly-trained, highly-valued teachers and staff are pivotal to the continuous improvement and success of our students. All students deserve, and we will provide, a healthy, safe and secure learning environment.
Do you remember that big stack of registration paperwork you are required to fill out at the beginning of school each year?

This NEW online registration process provides a more convenient way for parents to fill out this information. It confirms emergency contacts, military opt-in, allergies, etc. and eliminates this step upon the return to school.

Moving schools? It’s ok. Your online registration follows your child when they transfer between schools. If you currently have students enrolled in the MCCSC Skyward system (grades 1-12), online registration is open until August 20th. Simply use your Skyward Family Access login information at www.mccsc.edu/skyward to access the new online registration packet. If you have forgotten your password, select the “Forgot your Login/Password” link below the “Sign In” button and you will be prompted with reset instructions. Skyward Family Access is connected to the email address provided upon initial enrollment. If you do not have access to that information, you can obtain it by visiting the front office.

For more information about the documentation required for enrollment please visit www.mccsc.edu/enrollment. Please contact webmaster@mccsc.edu if you have any questions during the online registration process or ask us a question in the comments. Parents and guardians who do not complete this online registration will be prompted to complete the traditional paper registration upon the return to school.

New to MCCSC students may now enroll at online at www.MCCSC.edu/Enrollment.
Eligibility for Free Textbooks . . .
Families whose income falls within guidelines to receive free lunch may also receive free textbooks. Please call 812-330-7700 for additional information on eligibility and/or setting up a payment plan.

*2019-20 Textbook Fees Approved at February 2019 Board Meeting

**Middle and High School Textbooks Fees are based on individual student schedules.

MCCSC FOOD POLICY

ALL students receive the same meal options. There are now no alternative meals given.

Low lunch balance reminder calls will now start when a balance is below $6.

If an account reaches -$10 and Food Assistance funds are available, the student account will draw from that fund. If Food Assistance funds are not available, the student account will continue to go negative.

A family may apply for free or reduced meals at any time during the school year. Please contact Food Services at 812-349-4762 or visit our website at www.MCCSC.edu for applications in English and Spanish.

You may set a higher reminder amount by setting up a MyPaymentPlus account. Sign up at www.MCCSC.edu

Meal Prices for 2019-2020 School Year
Meal prices were approved by the School Board on May 14, 2019.

$0.60 $ 0.60 $ 0.60
Outside Recess Weather

Temperature – MCCSC uses a temperature range that is considered too cold for outside recess if temp is 18-23 degrees with wind-chill (depending upon location of playground and sunshine). Calculation tool for wind chill is found on Department of Education web link: http://www.nws.noaa.gov/om/cold/wind_chill.shtml.

Threatening Weather – Cancel recess and/or bring students inside in an orderly manner if lightning is spotted or thunder is heard. The sky must be free of thunder and lightning for 30 minutes to be considered clear.
WHAT DO I DO IF I AM BEING BULLIED OR KNOW ABOUT SOMEONE BEING BULLIED?

Talk to your teacher, school social worker, counselor or a principal.

The report will be investigated. Your safety is our priority. A plan to insure your safety will be made.

DO YOU HAVE AN ANONYMOUS TIP?

The Safe Schools Hotline and the MCCSC Tipline App are confidential means of reporting unsafe conditions that could harm students, staff, or the schools. Please call (812) 330-2494 to make a report.

IS IT AN EMERGENCY? CALL 9-1-1

Did you SEE something you thought was suspicious?

Then SAY something to local authorities.
Monroe County Community School Corporation in Bloomington, Indiana is seeking qualified and experienced candidates for the following positions.

HEALTH SERVICES
FOOD SERVICES
TRANSPORTATION
PARAPROFESSIONALS
CUSTODIAL
MAINTENANCE

Earn extra income and make a difference!

Part Time and Full Time Positions Available

To apply, visit www.mccsc.edu/careers
MCCSC is an Equal Opportunity Employer.
If you are 16 years of age or older and not attending high school, you can join the MCCSC Adult Education Program! Adult education classes are free of charge and will help you acquire the skills you need to earn a high school diploma or equivalency, learn English as a new language, enter occupational training (e.g., college, military, apprenticeships), and gain or enhance employment. You can even earn an industry-recognized certification to increase your career opportunities.

Registration Information
Adult Basic Education and High School Diploma: Call (812) 330-7731 to reserve a time and day for registration.

English Language Learning: Register in person at Broadview Learning Center on August 7, 8, or 9 at 9:00 am or 12:30 pm.

Did you leave a Monroe County high school and have 6 or less credits to go? Call us to see if we can help you finish those courses and graduate from your previous high school!

Our partners at WorkOne, the IU School of Social Work, Ivy Tech, and the military branches offer supportive services to help you achieve your goals:

- Life coaching
- Career advising and employment placement
- Transportation assistance
- Child care voucher applications
- Placement into further training

Ready to start? Contact us!
Phone: (812) 330-7731
Web: www.mccsc.edu/adulted
Facebook: Broadview Learning Center
English Classes for Adults

- Improve reading, writing, speaking, and listening
- Help your children in school
- Learn about our community and United States citizenship
- Earn an employment certification

Students must be 16 years of age or older and left high school before or after graduating.

Morning, afternoon, or evenings class times are available.

Classes are held at Broadview Learning Center.

Registration

August 7, 8, and 9, 2019

Register in person at 9:00 or 12:30

Broadview Learning Center
705 W. Coolidge Drive
Bloomington, IN 47403

Phone (812) 330-7731
www.mccsc.edu/adulted
1. Where can I find more information pertaining to the school immunization requirements for the state of Indiana? The Immunization Division at the Indiana State Department of Health posts information pertaining to the school immunization requirements on the homepage for the Immunization Division on the Indiana State Department of Health website. In addition, the resources and information is available to you in the Document Center of the Children and Hoosier Immunization Registry Program (CHIRP). You do not need a user login and password to access these documents from CHIRP. To access these documents:
• Go to the CHIRP homepage: https://chirp.in.gov
• Click on the link to 2018-2019 Indiana School Immunization Requirements

2. Are immunizations required for all children enrolled in school? Yes. Students in all grades are required to meet the minimum immunization requirements. Immunization requirements extend to children ages 3 through 5 attending special education programs, child care, or preschool within the school building.

3. If a child does not present an immunization record or is not up to date with their immunizations, may they enroll in school? Yes they may enroll, but Indiana Code (IC 20-34 4-5) states that a child is not permitted to attend school beyond the first day without furnishing a written record, unless:
• The school gives a waiver (for a period not to exceed 20 days); or
• The local health department or a physician determines that the child’s immunizations have been delayed due to extreme circumstances and that the required immunizations will not be completed by the first day of school. The parent must furnish a written statement and a time schedule approved by a physician or health department; or
• A medical exemption or religious objection is on file.

4. What must a medical exemption contain? A medical exemption is a provider’s certification that a particular immunization may be detrimental to the child’s health. It must state in writing that the child has a medical contraindication to receiving a vaccine. The Indiana State Department of Health has a medical exemption form available on CHIRP that providers should use to document medical exemptions. Many contraindications to vaccination are not permanent; therefore, a medical exemption should be obtained for the student each school year. As true medical contraindications to immunization are vaccine-specific, medical exemptions must be written for each vaccine that is contraindicated.

5. What must a religious objection contain? A religious objection must state that the objection to immunization is based on religious grounds. The objection must be in writing, signed by the child’s parent, and delivered to the school. The religious objection must state there is a religious objection to vaccination. There is no requirement of proof. To ensure the continued religious objection status for a student, schools must require written documentation of the religious objection each school year. Please note: there is no state form for a religious objection.

6. Is there a philosophical objection allowed in Indiana? No. Indiana law only allows religious and medical exemptions. A child must have a complete vaccination record or have a religious objection or valid medical exemption on file in order to attend school.

7. May a chiropractor give a medical exemption for vaccination? No. Only a licensed physician (M.D. or D.O.) or advanced practice provider (nurse practitioner or physician assistant under a physician’s supervision) can provide a medical exemption.

8. Do invalid doses of vaccine need to be repeated? A dose of vaccine that is required for school entry and is administered 5 or more days before the recommended minimum age or interval must be repeated as age-appropriate. This also applies to live virus vaccines administered at intervals shorter than 28 days. In general, the repeat dose must be spaced after the invalid dose by at least the minimum interval. Children do not meet school immunization requirements if they have one or more invalid doses of vaccine that need to be repeated.

9. If a student received a dose of vaccine before the recommended minimum interval or age, can I send a physician note stating there is no need to repeat the dose as a medical exemption? No. School immunization requirements in the state of Indiana follow the recommendations made by the Advisory Committee on Immunization Practices (ACIP) and are adopted by the CDC. The parent/guardian will need to provide evidence of immunity in order to meet school entry requirements. Evidence of immunity includes documentation of a valid dose(s) of vaccine, a positive IgG titer (if acceptable for the vaccine dose in question), or acceptable documentation of history of disease.

10. I have a patient who will be only 10 when they enter 6th grade. Should they receive the MCV4 and Tdap before 6th grade like the other students, or wait until they are 11? The student should receive the Tdap and MCV4 prior to entering 6th grade. Indiana’s school immunization requirements are grade-based, not age-based. A dose of Tdap and MCV4 will count towards the adolescent requirements if given at age 10 or older. All of the Tdap and MCV4 vaccines are licensed for use in persons 10 years of age. ACIP recommendations are not laws, and Indiana Code for immunization requirements for school trumps the ACIP recommendation.

11. What information must be included on the physician’s statement to document immunization? The statement must include the student’s name and date of birth, the vaccine given, and date (month/day/year) of each immunization.

12. What is considered adequate documentation of an immunization history? Adequate documentation is as follows: documentation from a healthcare provider, an immunization record from another school corporation, an immunization record in the Indiana Immunization Registry (CHIRP), or a printed record from another state registry. This documentation must include the month, day, and year for each dose of vaccine administered.

13. What is “laboratory evidence of immunity”? Laboratory evidence of immunity is a blood test for disease-specific immune globulin that measures immunity to disease. This is often used to confirm immunity when immunization records are not available, or a parent reports a history of disease.

14. Is lab evidence of immunity acceptable for ALL school required immunizations? No. Lab evidence is NOT acceptable for Diphtheria, Pertussis, or Tetanus. Laboratory evidence of immunity may be used in place of immunization requirements for the following school required immunizations:

   Measles, Mumps, Rubella
   Chickenpox, Hepatitis A & B, Polio
15. Does the Meningococcal Serogroup B vaccine count as the meningococcal requirement for school?
No, this is a different vaccine. The meningococcal requirement is for meningococcal quadrivalent vaccine (MCV4) containing serotypes A, C, W, and Y (Menactra or Menevo).

16. Is a doctor’s statement required as proof of chickenpox disease?
For children entering preschool through 10th grade, a signed statement by a health care provider, documenting a diagnosis of varicella or verifying the history of disease, including date (month/year) is required. Chickenpox disease occurring in previously vaccinated persons is difficult to diagnose. A child should be vaccinated if there is uncertainty regarding the diagnosis. There is no harm in vaccinating a person who is already immune to disease. More information for providers on assessing disease history is available at: http://www.cdc.gov/chickenpox/hcp/immunity.html

17. If a child receives one dose of Varicella vaccine and then subsequently has chickenpox, is a second dose of Varicella vaccine needed?
No. The parent will need to provide appropriate documentation of chickenpox disease. Polio Vaccine

18. Where can I access my student’s immunization records?
The Indiana State Department of Health maintains an Immunization information System known as CHIRP (Children and Hoosier’s Immunization Registry Program). The purpose of CHIRP is to collect, forecast, manage, and share vaccine data to registered medical providers in Indiana. An individual may access their personal or their dependents vaccine record through the MyVaxIndiana portal. If you would like access, contact MyVaxIndiana 1-888-227-4439 or email MyVaxIndiana@isdh.in.gov.

For questions pertaining to the school immunization requirements or immunization schedules, please contact the Immunization Division at (800) 701-0704 or email immunize@isdh.in.gov.

CHIRP helpdesk: (888)-227-4439 or email chirp@isdh.in.gov
TRANSPORTATION UPDATE

The 2019-2020 Bus Information Cards will be mailed the week of July 29th. If you are interested in finding your child’s bus information sooner, you may visit www.MCCSC.edu/Bus.

Visit our website to read about our transportation department, be informed, and understand that providing your child with safe transportation is a team effort. A good understanding of the rules will help develop a positive relationship with your driver. It will also help assure the safety of your children. We want you to know what to do and who to call in the event of a delay, accident, bad weather, traffic, etc.

All questions/concerns are welcome, documented, and answered as needed.

Safety is our #1 priority. We use the best equipment available for your child’s protection. We have state-of-the-art buses with (GPS) Global Positioning Systems, crossing gates, child reminder systems, computerized routing, and video cameras. In addition, our drivers and attendants receive ongoing professional growth training in the areas of student management, evacuations, loading and unloading, and federal and state laws.

If you have any questions please call the Transportation Department at (812) 330-7719.

INFORMATION FOR PARENTS

IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS

- In a homeless shelter or transitional living program
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children’s needs.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference and is feasible.
- If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

If you believe your children may be eligible, contact our Director of Student Services Becky Rose, at 812-349-4763 to find out what services and supports may be available.
We welcome families from all cultures to the Monroe County Community School Corporation (MCCSC). We strive to make every student’s educational experience positive. For questions regarding school enrollment and MCCSC programs and services, please call the Language Assistance number at 812-961-7500.

We have the following language interpreters on staff: Spanish, Korean, Chinese, Arabic, and Japanese. An over-the-phone interpreting service is used for all other languages.

Damos la bienvenida a las familias de todas las culturas a La Corporación Escolar De La Comunidad del Condado De Monroe (MCCSC). Nos esforzamos para hacer positiva la experiencia educativa de cada estudiante. Para preguntas con respecto a la inscripción escolar y los programas y servicios de MCCSC, por favor póngase en contacto con nuestra intérprete de español:

Tania Curruchiche
Encargada del Enlace Familiar Bilingüe
tcurruch@mccsc.edu
(812) 961-7500

Los servicios de interpretación y traducción están disponibles para las familias sin costo alguno.

الترجمة و خدماتها المتاحة للعائلات مجانية.
