MCCSC CORE VALUES

Value 1: Engagement
All students can learn. We teach all students. No exceptions. All students deserve rigorous, diverse curricular and extracurricular programs, integrated with technology. Such programs balance students’ needs and interests, resulting in high levels of student engagement, achievement and completion.

Value 2: Empowerment
All students are diverse and unique. When students are empowered, self-esteem grows. All students’ experiences and perspectives are assets that reflect the strength of our schools and the values of our community. Such assets, when respected, nurtured and explored, promote their academic success and the success of their peers.

Value 3: Environment
All students thrive in a positive, creative and stimulating learning and working environment. All employees excel in a culture actively supported by professional development opportunities. Highly-trained, highly-valued teachers and staff are pivotal to the continuous improvement and success of our students. All students deserve, and we will provide, a healthy, safe and secure learning environment.

ENGAGE. EMPOWER. EDUCATE.
University Elementary has received the STEM Certified School designation from the Indiana Department of Education (IDOE). MCCSC now has four of Indiana’s seventy-eight STEM Certified Schools, with Unionville Elementary joining Grandview Elementary, Batchelor Middle School and The Academy of Science and Entrepreneurship.

Since 2017, Unionville Elementary has been leading a curriculum initiative called EARTH (Environment, Art, Resources, Technology, and Health). “The Unionville copyrighted EARTH curriculum exemplifies the State of Indiana’s STEM model in every way. We congratulate Ms. Lily Albright and the entire Unionville staff on their innovative cutting edge model and Indiana STEM certification,” said MCCSC Superintendent Dr. Judith DeMuth.

“An education built upon science, technology, engineering, and mathematics is vital for academic success and life beyond high school,” said Dr. Jennifer McCormick, Indiana Superintendent of Public Instruction. “Along with great partners in our schools and the classroom, Indiana has prioritized STEM activities each and every day. I am grateful for the student-focused passion exemplified by our STEM Certified schools and I want to commend our 2019 schools for furthering Indiana’s dedication to STEM.”

Schools are selected based on their commitment to teaching STEM disciplines throughout the entire school. STEM Certified schools exemplify a highly non-traditional approach to education, employing a great deal of inquiry, project-based learning, community engagement, entrepreneurship, student-centered classrooms, integration into humanities and related arts, and out-of-school STEM activities. STEM Certified schools take this approach while following educational policies set by the state and excelling under the system of accountability.

MCCSC HIGH SCHOOLS EXCEL IN STATE RANKINGS

For the second year in a row, Bloomington High School North and Bloomington High School South were recognized as GreatSchools of College Success Award recipients. The College Success Award-winning schools have a successful track record of graduating students who later enroll in two- or four-year college, are ready for college-level coursework and persist into their second year, according to available data from each state.
2019 SCHOLARSHIP WINNERS

Bloomington North Rotary Club Scholarship ($1000):
Trinity Miles (Health Science Education I) - Bloomington High School North

Leader of the Pack Award ($100):
Joseph Ermey (Fire Science and Rescue) - Bloomington High School South

8 2018-2019 | MCCSC | OUR SCHOOLS GRADUATION EDITION
On Tuesday, April 30th, MCCSC Adult Education hosted a celebration of student achievements for students taking English as a Second Language classes. Along with several Adult Education National Honor Society recipients, students were awarded certificates of completion in Microsoft proficiency, English to Go, and English as a Second Language Levels 1 through 4. The 2019 class had over 150 English language learners representing over 30 countries!
The 6th Annual MCCSC Evening of Stars drew more than 300 people to the Monroe County Convention Center on Thursday, May 2nd, 2019. The storied careers of MCCSC’s 2019 retirees were celebrated and nominated employees were presented with “Stars of Excellence”.
