This is a simplified schedule for the structure of how students at each grade level will be engaged in online learning throughout the school day. Details of specific classroom instruction and activities will be communicated by each teacher through their Canvas page. Through Canvas you can access class assignments, lessons, resources, and virtual meeting links. Observer accounts are automatically created for all parent/guardian emails in Skyward Family 1. If you do not have your login information, use the “forgot password link” to reset. If you have difficulty accessing your account, please submit a Help Desk Ticket.
