Bayley Rood  Kason Strole  Nevaeh Wesley-Roberts
Ciarra Weber  Treyvon Butler  Rosie Aparicio
Cory Potter  Andres Soto  Kari Vandivier
Bladen Hoene  Lezxie Smith

FACTOR PROFILE
JULIE MAGRUDER

Mrs. Magruder was born and spent the first half of her life in California. She received her BA from California State University, Fresno in Communicative Disorders, Deaf Education. She received her American Sign Language /English Interpretation Certificate after completing the Interpreter Training Program at IUPUI. This is her 9th year interpreting for the Deaf and Hard of Hearing community. She has interpreted for Pre-K through post-secondary and loves each age group for their unique opportunities and challenges. A random fun fact is that Mrs. Magruder worked at a zoo before moving to Indiana. She lives with here husband, Michael and her cat, dog and chickens. She plans to start beekeeping this spring. She has five children and six grandchildren. Her hobbies include traveling, gardening, cooking and reading. On her first day at Fairview, she knew it would be a wonderful place to work because everyone is friendly and focused on creating a safe, welcoming environment for learning.

THINK SKILL OF THE WEEK – “Controlling Emotions” - Ask your children if they know the steps:
1. Learn what things make you feel angry and upset.
2. Pay attention to how you feel when something difficult or unexpected happens.
3. Use a calm down strategy when you notice you feel angry or upset.
4. Use words to describe your feelings so you can talk calmly to others.
5. Praise yourself for remaining calm.

CELEBRATING AMAZING ATTENDANCE!
EACH CLASSROOM CAN EARN A COOKIE PARTY THE WEEK OF JANUARY 27- 31st!!!!!
HOW: If every student in each individual classroom shows up to school all 5 days (1/27, 1/28, 1/29, 1/30, and 1/31) that classroom will earn a cookie party on the afternoon of 1/31/20. We will be having cookie parties once every month during the last week of each month until April!
The MCCSC and FMCCS will host our fourth annual Girls in Engineering, Math, and Science (GEMS) conference on Saturday, March 28, 2020. The conference is for girls in grades 5th and 6th in Monroe County. Girls will have the opportunity to work with female role models and enjoy the wonders of science, technology, engineering, and math (STEM)!

The morning will open with a Career Expo from 8:00 AM to 9:00 AM. At the expo, girls and their families can explore and learn more about STEM career opportunities.

After the Career Expo girls will be divided into small groups to work with female experts in STEM education and industry. Groups will participate in five hands-on activities in the fields of engineering design, chemistry, biology, forensic science, technology, and math. To register for the Career Expo and to register your daughter for GEMS, go to the MCCSC website. Registration deadline is March 13th.

Every Friday is Hat Day! Students may wear their favorite hat on Fridays for a 25 cent donation to the Student Council. The funds will then go to Riley Hospital.

Congratulations to the advanced show choir. The group performed at the Buskirk Chumley Theater, celebrating Dr. Martin Luther King Jr.’s birthday. You were wonderful!!!

Congratulations to our Fairview 4th grade maker challenge participants and winners!

Our 3rd-6th grade Fairview string players got to hear and meet members of the Minnesota String Quartet. The group performed music of Mozart, Beethoven, and Dvorak.
