THINK SKILL OF THE WEEK "Dealing with Failure" - Ask your children if they know the steps:

- 1) Accurately identify that you did not succeed at an activity or task.
- 2) Remain calm and relaxed.
- 3) Instruct yourself to control your emotions.
- 4) Find a caring adult and discuss your disappointment or any other negative feelings.
- 5) Be willing to try again to be successful.

Reminder:

Communication is important! Although parents and visitors are not be allowed into school buildings this school year, we are happy to meet with you by phone or video conferencing.

JUST PUT ON YOUR MASK!

DR. REYNOLDS' ARTIST'S CORNER

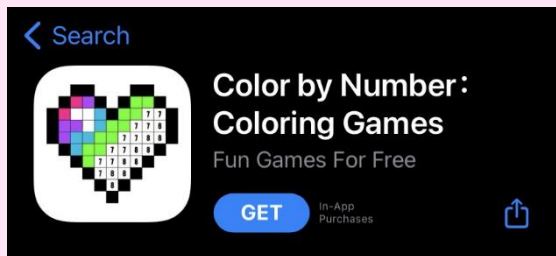

This week, we feature creations by two 4th Graders in Mrs. Gross's class – Ada Black and Brooklyn Jordan!

Make an affirmation a part of your morning routine!

Last week, we talked about creating a morning routine and we want to add to that this week by encouraging affirmation! Speaking positively about ourselves can change our brain. Encourage your children to begin their day with a phrase like "I am kind", "I am going to rock this day" or "I create happiness for myself". Say the phrase out loud, visualize the emotion this phrase brings, and finally believe in your statement!
