A Missed Day of School is a Missed Day of Learning

According to the National Department of Education chronic absenteeism is when a child misses more than 15 days of school a YEAR! This means 1 of 6 kids in the country is struggling in the class because they are missing a day of learning! Let us know how we can help your family get to school every day and on time.

FREE APP OF THE WEEK

Use the alarm on your school Ipad to set a wake-up time every school day!

IMPORTANT! IMPORTANT! IMPORTANT!

Please assist your child with memorizing their full name, their address, their parents full names and telephone number(s) and their bus number. This may be critically important information in an emergency.
